Proceedings of the Madras Government, Political Department,
12h November 1860.

No. 28. Read the following letter from Surgeon Major EDWARD G. BALFOUR, Government Agent at Chepauk, and Paymaster of Carnatic Stipends, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 6th November 1860, No. 1,429.

I have the honor to submit to the Honorable the Governor in Council that, on the 29th May last, Her Highness Nabob Khyre-un-Nissa Begum Sahiba, wrote mentioning that the Wallajah Bagh, which, by Extract Minutes of Consultation No. 47, dated 15th January 1859, had been apportioned for her residence, was in such want of repair as to be uninhabitable and that she had gone to reside in another house.

2. Her Highness added that her indebtedness prevented her making the necessary repairs at her own expense, and asked that these might be effected by Government.

3. On the same date, Her Highness addressed that communication, regarding which, in my letter No. 671 of the 8th June, I addressed Government, and on which the Orders No. 375 of 18th June, and official Memo. from Government, No. 325 of 7th September last, have been issued and been duly communicated to Her Highness. In expectation of some further communication from Her Highness, in reply to those Orders of Government, the letter regarding the Wallajah Bagh was deferred.

4. I have now the honor to submit the subject for any Orders which the Honorable the Governor in Council may be pleased to issue.

5. In doing so, I would suggest, for the protection of this property of Government, that the Civil Architect examine the dwelling and put it in repair, and as Her Highness is now dwelling in a private house on the Mount Road, if it be deemed advisable, Her Highness might be asked to give up the Wallajah Bagh entirely and to accept a monthly rent in lieu of a dwelling house, as other ladies receive.

6. Her Highness has not yet completed the document sent to her under the Orders, No. 47, dated 15th January 1859, paragraph 11; but if all claim on the house be now abandoned, in lieu of a house rent, such would not be required.

No. 29. ORDER THEREON, 12th November 1860, No. 665.

The Government desire that the Agent will inform Her Highness, Khyre-un-Nissa Begum, that if she chooses to reside in the Wallajah Bagh, she must keep it in repair herself, and that if she does not do so, she cannot be allowed to occupy it. If Her Highness does not think proper to live in it on condition of keeping it in order, she must inform Government accordingly, who will then take possession of it for themselves.

2. The Agent should require Khyre-un-Nissa Begum to state explicitly, and at an early date, what she means to do.

(Signed) T. PYCROFT,
Chief Secretary.
