Proceedings of the Madras Government, Political Department,
15th November 1860.

No. 53. Read the following letter from W. M. CADELL, Esq., Government Agent at Tanjore, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 9th November 1860, No. 475.

* 29th September 1860, No. 587.

Paragraph 1. Adverting to the Proceedings of Government marginally* noted; I regret again to be under the necessity of troubling you

with a further reference on the subject therein referred to.

2. Of the several items of the monthly charges contained in the Abstract for the month of

July last, submitted with my letter of the 20th September, No. 357, and sanctioned by Government in their Proceedings adverted to, the two noted in the margin,† have since undergone some variation, and as the Civil Auditor will again object to pass the Abstracts for subsequent months on account of the amounts thereof

	RS.	A.	P.
†3 The salary of 49 persons on the Serkele's Establishment, whose salary is within 16-10-8 each.	249	15	10
8 Do. of 7 servants attached to the Raj Hospital and whose salary is within do. do.	29	8	0

differing from those specified in the Orders of Government, I beg to solicit sanction for the same. The circumstances under which these variations have arisen are these.

3. The total amount of the monthly salaries of the Serkele's Establishment as originally fixed by the late Commissioner was Rupees 361, which, by a subsequent Order given by that Officer on the 18th July last, was raised to Rupees 381. As, by the terms of that Order, the increase of Rupees 20 thus allowed, took effect from the 19th idem, the proportion thereof for the remaining 13 days of the month was added to the former scale, viz., Rupees 361, and thus, the total amounting to Rupees 368-15-10 was entered in the Abstract for July; this amount, it will be seen, is made up of the first 3 items comprised in the Abstract appended to my letter above referred to. The amount payable for subsequent months, being however Rupees 381, according to the increased scale or Rupees 12-0-2 in excess of that which the Civil Auditor has been authorized to pass, sanction is now required for this difference and I accordingly beg to request that that Officer may be authorized to pass the monthly Abstracts from August last to the full amount of Rupees 381; this amount will henceforward not vary at least so long as the existing arrangements are retained in respect of the Palace Establishments.

4. As regards the salaries within Rupees 16-10-8 each, of servants attached to the Raj Hospital, the fixed number of servants is 8 and the total amount of their salary Rupees 33-8 per mensem, instead of 7 with salaries of Rupees 29-8-0 respectively, as

†Vide item No. 8 entered in the Abstract† above alluded to. This difference of one servant on a pay of Rupees 4 arose in consequence of the post of a Peon on Rupees 4 having remained vacant in the month of July but which since the 1st September has been filled up. This increase to the salaries of Establishment will not, however, affect the total amount of the allowance of this Institution, viz., Rupees 220 per mensem, inasmuch as the same will be met by a corresponding decrease in the allowance for medicines, &c. I may add that this last mentioned item is not fixed on any specific scale or rate, but that whatever balance is left at the end of every month out of the total grant of Rupees 220, after the payment of the charges for Establishments and diet, is kept separate at the credit of the Institution and is applied from time to time and in such quantities as may be required for the purchase of European Medicines and Stores which are procured from Madras. I beg therefore to request that till this Hospital is placed on a revised footing the Civil Auditor may be authorized to pass the future monthly Abstracts as well as those for the months of September and October last, according to the scale given below:

	RS.	A.	P.
Allowance of the Apothecary in charge of the Raj Hospital.....	35	0	0
Salary of the 1st Dresser attached to do.	20	0	0
Do. of other 8 servants whose salary is within Rs. 16-10-8 each.	33	8	0
Allowance for Medicines, &c.....	131	8	0
Total Rupees...	220	0	0

Proceedings of the Madras Government, Political Department,
15th November 1860.

5. Separate Abstracts for the Serkele's Establishment and the Raj Hospital, prepared for Audit for the past three months abovementioned, are herewith submitted, and I beg to request that the same may be forwarded to the Civil Auditor with the sanction of Government.

No. 54. ORDER THEREON, 15th November 1860, No. 677.

Under the explanation furnished in the foregoing letter, the Government sanction the Sirkele's Establishment according to the scale at which it was last fixed, at a cost of Rupees (381) three hundred and eighty-one per mensem, with effect from the 1st of August last; and also the Establishment &c., for the Raj Hospital according to the scale given in paragraph 4 of the Agent's letter, at the same amount* as was authorized under date the 29th September last, No. 587 to have effect from the 1st of that month.

* Rupees (220) two hundred and twenty per mensem.

2. Ordered that the Pay Abstracts of the above Establishments received from the Agent be forwarded to the Civil Auditor, with a request that he will pass them and future Abstracts according to the scale now sanctioned, with reference to the Order of Government, dated 20th ultimo, No. 622.

Signed) T. PYCROFT,
Chief Secretary.

Exd. F. Cartledge.
