No. 107. Read the following letter from W. M. CADELL, Esq., to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Vallum, 26th November 1860.

I received your letter of the 21st on Saturday evening, and lost no time in at once communicating with Saccaram Sahib, on the subject matter thereof.

I beg to annex an Extract from a letter received from him yesterday, which I request you will be good enough to lay before the Members of Government, with a view to their issuing such orders in the matter as they may deem fit and proper.

Saccaram Sahib has not stated what Medical Officer he would prefer, but I have reason to know, that if the services of Dr. Joseph can be made available, it would give him satisfaction.

"My Dear Sir,

"You are well aware that the Princess is in the family way since these some months, and "although I have appointed for her services a Native Doctor well experienced in her constitution, "yet I beg that you will be so good as to arrange that the Medical assistance of an able Euro-"pean Doctor, whomever you may like, may be provided for her at times when the same will be "found necessary."
