Proceedings of the Madras Government, Political Department,
21st December 1860.

No. 60. Read the following letter from W. M. CADELL, Esq., Government Agent, Tanjore, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated December 1860.

In forwarding the enclosed communication from Saccaram Sahib announcing the safe delivery of the Princess of a son last night, I have the honor to state that immediately on the receipt of the Proceedings of Government, (Political Department), under date the 26th ultimo, I wrote to Saccaram Sahib requesting he would let me know how soon the Princess' confinement might be expected. I did this in view of communicating with Dr. Joseph as to how soon his services might be required.

To this letter, however, I received no reply and must, therefore, presume that Saccaram was not really very desirous of having European Medical attendance for the Princess, though both personally and in writing he seemed to desire it and was highly pleased with the suggestion. I have, therefore, intimated to Dr. Joseph that as the Princess is doing well his services will not in all probability be required.

To THE HONORABLE WILLIAM AMBROSE MOREHEAD,
GOVERNOR IN COUNCIL OF MADRAS.

HONORABLE SIR,

It is with the greatest pleasure that I have to apprise your honor that the Princess has been delivered of a son this night at about 9 o'clock. As this happy birth of a son to me is no less than that of a grand-son to the Honorable Government who have all along been the parents of us both, I cannot but hasten to convey this joyful intelligence to your honor's kind and favorable notice.

(Signed) RY. SACCARAM SAHIB.
