*Proceedings of the Madras Government, Political Department,
22nd December 1860.*

No. 68. Read the following letter from Surgeon Major EDWARD G. BALFOUR, Government Agent at Chepauk, and Paymaster of Carnatic Stipends, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 19th December 1860, No. 1,598.

I have the honor to subjoin copy of a Notice which I have this day affixed, in five languages, to the Agency, and beg it may receive the sanction of Government.

2. There are individuals who have died or disappeared, to whom or to whose heirs it may never be possible to make payments of the sanctioned gratuities. But there are other individuals who, for some objects of their own, are abstaining from taking their gratuities. As the chief list was sanctioned in 1857, nearly four years ago, and it is very desirable that these matters should be wound up, I think that the one month's notice now given them to appear, is ample grace and forbearance.

NOTICE.

The Government Agent informs all servants of His Highness the late Nabob of the Carnatic who are not entitled to pensions, but to gratuities only, but who have not yet applied for their gratuities, that unless they make application in person at the Agency for, and accept, the same, on or before the 20th January 1861, their names will be struck out of the Agency Books, and all applications received after that date will be docketed "should have applied previous to 20th January 1861 and will not now be paid."
