To

The Right Honorable Sir Charles [illegible]
Secretary of State for [illegible]
[illegible]
[illegible] Cavory Esquire
[illegible]
[illegible] of the [illegible]
[illegible] late Lieut. Col. of
formerly employed as
[illegible] by the late
[illegible]

Humbly Sheweth [illegible]

That your Memorialist being
[illegible] a due
[illegible] from
[illegible] which he failed
[illegible] to the Lords Commissioners of the
[illegible] Memorialist humbly prays
[illegible] the benefit of
the following [illegible] for your honours
[illegible] thereon.

2. That your Memorialist is the
grandson of the above named [illegible]
the late Captn. Cavory's brother, [illegible]
Capt. Abraham Cavory [illegible]
at the time of his [illegible] at his death
bequeathed his wife the above said Re-
becca [illegible] to take your Memorial-
ist (as his brother's grandson) into her
family

[illegible] family, and bring him up as her own son [illegible] may be entitled [illegible] the [illegible] whole family Estate, and be subject to support the whole members of the said family. She above [illegible] in accordance to [illegible] had taken your Memorialist during his infancy into her family and brought him up as her own son, and latterly in the year [illegible] delivered to Memorialist all her moveable and immoveable properties as could be learnt from the [illegible] which [illegible] subject to [illegible] system with which [illegible] parted this life on the [illegible] September 1808. And the present [illegible] the month of August [illegible] Collector of Vellore [illegible] living in [illegible] the whole facts as communicated to the [illegible] your Memorialist as her own [illegible] orders of her late husband [illegible] your Memorialist [illegible] and represented [illegible] Estates and [illegible]

to transfer her pension Rs. [illegible] of your Memorialist because he is obliged to support the whole members and dependants of the family.

The Collector of the District thereupon having ascertained that the Taluk of Vellore and the Taluk of Wandiwash, to which the genuineness of the document said to have been executed by the said Badaraya Sahebah in favor of your Memorialist and other circumstances connected therewith, solicited the sanction of the Madras Government for the transfer and continuance of the deceased's pension in the name of your Memorialist on which occasion the Government [illegible] that the matter should be submitted to Government thro' the Brigade Commanding Officer at Vellore. Subsequently the report was submitted by the Brigadier Commanding Officer of Vellore, when the Government rejected the Memorialist's claim for the transfer of the pension on the ground of his being an adopted son, and not a nearest relative himself of the deceased Badaraya Sahebah and her late husband on which the Government [illegible]

the Extract Minute of Consultation of the 6th February 1829, in which Memorialist claim had been rejected.

4 Your Memorialist begs to represent that his claim for the transfer and continuance of the pension in question in his name, is not simply founded on the only ground of his adoption by the late Badurja Lakibai, but particularly the Memorialist is a nearest relature and kinsman of the late Syed Ally Ibrahim Cawasjy the husband of the said Badurja Lakibai as stated in the beginning of para 2 of this humble Memorial, and as such he claims for the transfer and continuance of the hereditary pension in his name, which was formerly enjoyed by the late Badurja Lakibai. And a pension of Rupees 40 per mensem is allowed to Gholam Kadir the nephew and again adopted son of the Rajah Khan by his brother Vakeel of Tippoo Sultan, of the he had considerable daughters of his own, and on the death of the above named Gholam Kadir, the Government allowed with a pension of Rupees 40, as the adopted pension of his late father, the latter enjoys upto this day that amount of Rupees pension, as your Honor may be convinced of its truth if required to the Hon'ble Private

late Commanding Officer and the Paymaster at that place.

5 Such being the case, your Memorialist is equally a ground and the late Syed Ally Ibrahim Cawasjy's brother while so, he is at a loss really to know why his claim was rejected by the Bombay Government while they recognized the claim of his like Kinsman standing in the same position as your Memorialist is, of another servant of Tippoo Sultan, and allowed him with the transfer and the continuance of the pension of Rupees 40, as detailed in the preceding para. Consequently your Memorialist leaves the whole matter for the just and due consideration of your honor, and render him with justice by establishing his unquestionable right for the transfer and the continuance in his name the amount of pension enjoyed by the late Badurja Lakibai as she left behind her several souls consisting of her family to be supported by your Memorialist because all of them were supported by her while living from her only means of the amount of pension granted to her by the
