4	Order thereon...	3rd Jany. 1860.	On a review of the correspondence on the subject and of the Statements furnished, observe that there has not been such a diversion of the import trade from the Malabar ports to those of Travancore and Cochin, as to call for immediate action, but the questions mooted, are of much inportance and should engage the Resident's attention as soon as possible.
5	Sub-Treasurer...	1st Decr. 1859.	With reference to the plan proposed by Assistant Government Agent at Chepauk, for the purpose of the more easy payment of Carnatic Stipendiaries, considers that the new form of receipt on the coupon principle is an improvement, but that the amount of monthly pension should be exhibited in each coupon, and states that he sees no necessity for a pre-audit, Mr. Waterfield's plan to post-audit the Registers appearing the preferable one. Suggests a simple method for the payment of the Stipends.
6	Acting Civil Auditor....	2nd do.....	Objects to the pre-audit, and is of opinion that the printed Abstracts should be sent to the Sub-Treasurer as a guide. Suggests the precautions that will be necessary under the new system.
