My dear Mr. Lynch.
Wallajah Baidy.

I think it will be well
to require the payment of
the nominal debt of five
Rupees again reserved
by the Government. but I
think the Director of
Landre (and not the
Government) should
be the proper party to
realise it. This is within
the ordinary scope of his

which and he has an
establishment for such
purposes. I however
you think that any
advantage will be
gained by substituting the
unallotted the provisions
which my office can
easily undertake it

Yours very truly
