*Proceedings of the Madras Government, Political Department,
27th April 1861.*

Read the following papers:—

No. 89. From SHIVA SUNKARA DAVOR, residing at Mootialpett, No. 30, Kistnaen Covil Street, Black Town, to the Chief Secretary to Government, Fort Saint George, dated 14th February 1861.

I most respectfully crave of you to place the following before the Honorable the Governor in Council.

I have been employed under the late Rajah of Tanjore, in charge of his Estates at Aminjeekaray in the Sydapet Talook.

On my leaving the service the balance of wages due to me was Rupees 62-6-4, as adjudged by the Commissioner of Tanjore.

For the payment of the above balance I petitioned the Commissioner at various times, and although the claim was admitted, the money has not been paid.

I have therefore most humbly to solicit that His Honor in Council will be graciously pleased to order the Commissioner of Tanjore to pay the amount due to me without any further delay, more particularly as the latter has had sufficient proof that the money claimed is actually due, and that he himself has long ago ordered its payment, which payment is withheld for reasons of which I have no knowledge.

I enclose two documents in support of my claim.

No. 537 of 1861.

Forwarded to the Agent for early disposal and endorsement.

By order,

FORT SAINT GEORGE, 13th March 1861.

No. 90. From W. M. CADELL, Esq., Government Agent, Tanjore, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 17th April 1861, No. 144.

With reference to the endorsement of Government on Petition No. 537 of 1861, I have the honor to state that, on reference to the Records of this Office, it appears that the sum of Rupees 62-6-4 is due to Petitioner from the Estate of the late Raj on account of the arrears of salary as Agent in charge of the Raja's garden at Madras. From this sum, however, should be deducted Rupees 27-13-0 outstanding against him in the accounts of the Palace, so that the balance actually due is only Rupees 34-9-4.

2. Petitioner preferred his claim about the end of the year 1858, but as it had accrued during the life-time of His late Highness the Raja, and as all such claims were left for adjustment after the final settlement of the question of the Raj generally, that of the Petitioner was then not discharged. Petitioner appears to have again brought his claim before the late Commissioner, Mr. Phillips, in April 1860, when as will be seen by that Officer's endorsement enclosed with the Petition, the same was rejected on account of the origin thereof not having been distinctly set forth.

3. I however see no objection to the balance of Rupees 34-9-4 above specified being disbursed to him, but as no award has been made in his favor by the Commissioner who was appointed to adjust such claims, the amount cannot now be disbursed unless with the special sanction of Government.

No. 91.

ORDER THEREON, 27th April 1861, No. 224.

The Government Agent, Tanjore, admits the validity of Shiva Sunkara Davor's claim against the Estate of the late Rajah, of Rupees 62-6-4 for arrears of salary. As, however there is, it is stated, the sum of Rupees 27-13 outstanding against the Petitioner in the accounts of the Palace, the Government authorize the disbursement to him of the balance, viz., Rupees (34-9-4) thirty-four, Annas nine and Pice four.
