*Proceedings of the Madras Government, Political Department,
4th May 1861.*

No. 11. Read the following letter from EDWARD BALFOUR, Esq., Commissioner for Investigating the Debts of His Highness the late Nabob of the Carnatic, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 29th April 1861, No. 71.

I have the honor, with reference to the Order of Government, in No. 213, dated 24th April 1861, to mention that I think it advisable, with regard to the work still to be done, that the Commissioner's Establishment and the Record Officers should be continued for one month more.

From the 1st proximo the pay of the Commissioner's Establishment will be reduced to Rupees 60 and that of the Record Officers to Rupees 442, and further reductions will be made during the month as the work proceeds.

Seemingly the final meeting with the Legal Officers of Government terminated at 11 this forenoon, and so far as I see there is now only one document to be prepared for them. Their work, which from its character and their other important duties, has throughout required that when the Legal Officers wanted our services every other employment should be set aside, will not therefore now intervene and before the end of coming month I hope to place before Government a list of every item in each department of the contingent and monthly expenses that I consider due.

It must naturally be that many of the persons are dead whose names will be furnished in the lists now under preparation, but until the amounts be sanctioned or otherwise by Government, investigation as to their heirs cannot be entered on;—but when that list is furnished this point, the investigation of the heirs of deceased persons and the payments will alone remain to be completed of all the work connected with these debts: but all that I need here mention is that in such a place as this, an investigation as to heirs is a proceeding requiring much care.

No. 12. ORDER THEREON, 4th May 1861, No. 235.

Under the explanation afforded, the Government sanction the continuance, as proposed, until the 31st instant, of the Commissioner's Establishment and Record Officers, at the reduced pay of Rupees (60) sixty and Rupees (442) four hundred and forty-two respectively.

(Signed) T. PYCROFT,
Chief Secretary.

COMMISSIONER'S OFFICE,
1st May 1860.

The Commissioner Investigating the Debts, &c. of His Highness the late Nabob of the Carnatic, has the honor to present compliments to The Chief Secretary to Government and to mention that there is an error in para 2 of letter No. 71 of 29th Ultimo the sum then stated was Rupees 42, & should be Rupees 442, and the Commissioner begs that correction may be made.
