Proceedings of the Madras Government, Political Department,
1st June 1861.

No. 1. Read the following letter from Surgeon Major EDWARD G. BALFOUR, Government Agent at Chepauk, and Paymaster of Carnatic Stipends; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 23rd May 1861, No. 607.

I have the honor to report to the Honorable the Governor in Council that, on the 13th instant, I communicated to Her Highness Nabob Khyre Un Nissa Begum Sahiba, the Order of Government, No. 243 of 8th instant.

2. As no reply had reached me, I this morning sent, as a verbal message, to Her Highness that unless a reply were received to-day, it would be my duty to bring the subject to the notice of Government, and Her Highness sent a message in reply, that she would write to me to-day on the matter of the repairs; but the promised letter has not reached me up to the time of writing this.

3. I think that a letter may reach me, even to-night; but I addressed this communication to report all that has been done, as the time fixed has passed by.

No. 2. ORDER THEREON, 1st June 1861, No. 272.

The Government cannot permit any further delay in this matter. They accordingly direct that the repairs of the Wallajah Baugh be carried out immediately. The necessary instructions will, with reference to the Proceedings of Government 24th April last, No. 210, be issued to the District Engineer, Presidency, through the Public Works Department—the cost of the repairs to be deducted from the stipend of Her Highness Khyre Oon Nissa Begum.
