Not to be folded or roughly handled

Read again letter from the Government Agent at Chepauk, dated 14th June 1861, No. 701, and recorded in Proceedings of the 24th idem, No. 292.

No. 14. Read also the following letter from Surgeon Major EDWARD G. BALFOUR, Government Agent at Chepauk, and Paymaster of Carnatic Stipends; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 4th July 1861, No. 781.

I have the honor to report that I forwarded to His Highness Azim Jah Bahadur, Order No. 292 of 1861.

2. Prior, however, to the receipt thereof, on the 18th ultimo, after addressing Government, I had thought it my duty to express to His Highness how desirable it was that applications of this kind should be definite—drew his attention to the considerable correspondence that on this and previous occasions had occurred from want of definiteness, and submitted to His Highness the advantage of making his application complete in itself.

3. Accordingly, on the 25th ultimo, His Highness sent the enclosed* letter in which he desires that payments be made.

* *Requested to be returned.*

to the three former on their joint receipts and severally to the two latter on individual receipts; but as will be observed, His Highness still does not indicate the funds from which disbursements are to be made.

4. In the hope that His Highness would give a letter so complete as not to require references to other documents, on the 26th ultimo, I pointed out the great convenience which such a complete letter would be. But in his reply* of 1st instant, herewith enclosed, His Highness considers that he has done all that was required in Order of Government No. 292, or necessary, and I send His Highness' two letters on, for such orders as His Excellency the Governor in Council may be pleased to issue.

* *Requested to be returned.*

No. 15. ORDER THEREON, 8th July 1861, No. 309.

In reference to the remark made at the end of paragraph 3 of the Chepauk Agent's letter of the 4th instant, the Government observe that in the first communication submitted with the Agent's previous letter of the 14th ultimo His Highness Prince Azeem Jah Bahadoor has indicated the funds out of which the money applied for was to be paid; and in the one now forwarded dated the 25th ultimo he states explicitly the sums to be paid to the parties whom he has nominated as his Agents to draw the money. They consider that nothing more is required, and they resolve therefore to authorize the Sub-Treasurer to pay to the undermentioned Agents of the Prince the sums noted opposite their names amounting together to Rupees (1,49,621-13) one lac, forty-nine thousand, six-hundred and twenty-one and Annas thirteen, which will be disbursed out of the undrawn arrears standing to the credit of His Highness in the General Treasury.

Dated 6th June 1861.
