*Proceedings of the Madras Government, Political Department,
13th July 1861.*

No. 34. Read the following letter from Surgeon Major E. G. BALFOUR, Government Agent at Chepauk, and Paymaster of Carnatic Stipends; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 13th July 1861, No. 826.

I have the honor to submit, for the favorable consideration of Government, the request of Her Highness Nabob Khyre-un-Nissa Begum Sahibah, to be allowed to occupy the Wallajah Bagh till the 23rd instant, by which time the ceremonial observances of the Mohurm will have terminated.

2. I enclose Her Highness' letter* as I do not fully understand from the concluding paragraph whether Her Highness means that *she* will commence the repairs, or, after 23rd July by vacating, allow the repairs to be commenced.

3. Late on the 10th instant, Her Highness by letter made a similar request, to be allowed to remain all the Mohurm month, but owing the lateness of her application, I replied that there was no time to get permission of Government, before the 15th instant. Her Highness' present application, to be allowed to continue till the 23rd instant, inclusive, I beg to recommend.

4. In expectation of sanction thereto, I have given intimation to Civil Architect of this recommendation.

No. 35. ORDER THEREON, 13th July 1861, No. 323.

The Government will permit Her Highness to remain in the Wallajah Baug until the 23rd instant, when she must positively vacate it.

2. The repairs will be executed by the Department Public Works as already directed.
