PROCEEDINGS OF THE MADRAS GOVERNMENT.

l the following letter from Lieutenant-Colonel W. I. BIRDWOOD, Deputy Chief Engineer, in charge of Central Office of Public Works, to J. D. SIM, Esq., Secretary to Government, dated Chepauk, 6th July 1861, No. 2,447:—

SIR,

1. I have the honor to submit for the orders of Government, the accompanying letter from the Resident at Travancore, requesting that the services of an Officer of the Corps of Engineers may be allowed to that State, to enable His Highness the á to undertake the execution of some important works and improvement, which he expects not only benefit his own kingdom but be also of advantage to the adjoining British vinces.

iginal letter, dated 15th May 1861, No. 731.

2. Since the receipt of this letter some delay has occurred in ascertaining the wishes of ain Officers with reference to the appointment, but I now learn from Colonel Horsley that ptain T. Greenaway, 46th N. I., Acting District Engineer Nellore, will be happy to accept it, and the Resident of Travancore be glad to get him. Captain Greenaway, however, in is accepting of the appointment, wishes it to be understood, that he does so under the proviso t it involves no loss of service; that is, that the time passed in it will count both as Military l Staff service towards promotion and pension, the same as in the case of Officers employed in Public Works Department of this Presidency, and seeing that Officers of the Line attached to the Nair Brigade of His Highness the Rájá are so employed without prejudice to their rank and prospects in the British service, I conclude that Captain Greenay may be transferred to the Travancore Territories on the conditions he has mentioned.

e latter part of paragraph 1 of Resident's letter.

3. I request, therefore, that sanction may be granted for his services being placed at the esident's disposal for employment in the manner proposed, immediately on his being relieved of s present charge by Captain Mullins, whose return to India may be expected by the next eamer.

ORDER THEREON, 16th July 1861, No. 1,315.

Sanctioned as proposed. Captain Greenaway's services will accordingly be placed at the isposal of the Political Department, for employment in Travancore under the general Staff Rules f the Army.
