No. 9. To His Excellency the Right Honorable Sir W. T. DENISON, Knight, Governor of Madras, &c., &c., &c.

The humble petition of MAHOMED AZEEZOODIN, residing in the street of Small Mosque at Triplicane.

SHEWETH,

That your Excellency's poor Petitioner's late father named Mahomed Asoodoodin was entitled to a monthly wages of 14 Rupees from the Circar of His Highness the late Nabob of the Carnatic; after his death, the one moiety of the aforesaid wages was continued in the name of Petitioner's eldest brother Mahomed Kumroodin who used to support the members of the family of Petitioner's late father, but after his death it was reduced to 3½ Rupees and for this sum there are five heirs, out of these heirs your Petitioner and his elder brother got each of them a portion of pension of 11½ Annas per month and the other three heirs never came down from Nellore to claim their portion, so the same is left undivided and unpaid. Your Excellency's Petitioner has already submitted a petition to the Government Agent to give up this portion of pension of 11½ Annas for bonus, and was replied that he has not obtained orders from Government to that effect. Therefore Petitioner being inclined to carry on some small traffic for his humble livelihood, your Excellency will be graciously pleased to issue an order for this bonus, that the Government Agent may confer it upon your poor Petitioner who as in duty bound, shall ever pray.
