Proceedings of the Madras Government, Political Department, 31st August 1861.

No. 56. Read the following letter from Surgeon Major EDWARD G. BALFOUR, Government Agent at Chepauk, and Paymaster of Carnatic Stipends; to the Chief Secretary to Government, Fort Saint George, dated 9th August 1861, No. 1,012.

I have the honor to enclose herewith Lists of New Pensioners, of Gratuities, and of differences from dates of discharge to dates when first drawn, which I hope may be final, and which have been deferred thus long in the effort to get rid of every possible claimant. But claims are so frequently put forward and so often reiterated, that this effort finally to dispose of all, has greatly protracted the transmission of this report.

2. The only case of which particular mention is required, is that of Rajah Eshwar Doss Dayawunt Bahadoor, at present in receipt of a one-third rate as a Chief Officer, but now submitted for a half rate on the ground of hereditary service. His name might have been submitted in some previous list; but he valued so high the honor of being declared by Government to be a Chief Officer, that he dreaded the possibility of being withdrawn from that class if recommended to a half rate for hereditary services; preferring the one-third rate and his present position, to a one-half rate with removal therefrom. He has asked me to solicit that if His Excellency the Governor in Council honor him with the higher rate now submitted, on the ground of hereditary service, his present number indicating his position amongst the Stipendiaries may not be cancelled, but be graciously permitted to be retained.

4. The Sircar records here do not contain all the information requsite to admit of decisions with facility on the cases of the out-station retainers; but the present list contains all that the individuals there seem entitled to.

5. As His Excellency the Governor in Council may require to know if these amounts have been provided for in the 1861-62 Budget, I may mention that they were so in that of 1860-61 as follows :—

No. 57. ORDER THEREON, 31st August 1861, No. 380.

With this letter the Chepauk Agent submits four lists, which may be regarded as final, of certain servants and retainers of the late Nawab of the Carnatic admitted to pensions and gratuities according to the scale and rules laid down by the Government of India, and of difference and arrears of pension payable from the date of discharge to the date of grant to Stipendiaries already in receipt of allowances and to servants newly admitted to pension, under the Orders of this Government noted in the margin.

2. The sums to be disbursed on these accounts and for which the sanction of Government is required, are:

List No. 1, *Rupees* 185-5-0.—One hundred and eighty-five and Annas five per mensem, on account of A pensions at half and full rates in lieu of one-third and half and of B pensions in lieu of gratuities,

No. 2, *Rupees* 275-4-0.—Two hundred and seventy-five and Annas four, on account of gratuities.

No. 3, *Rupees* 3,070-9-4.—Three thousand and seventy, Annas nine and Pice four, on account of difference and arrears of pension to servants, &c. of the late Sirkar at Madras.

List No. 4, *Rupees* 6,404-10-11.—Six thousand four hundred and four, Annas ten and Pice eleven, on account of do. do. at out-stations.

3. There is a difference between the amounts of lists Nos. 1, 3 and 4 and those entered in the Agent's letter as "now fresh recommended," as shown below:—

Per lists.				According to letter.	Difference.
No. 1—Rupees	185	5	0	Rupees 236 7 0	Rupees 51 2 0

The sums entered in the lists will be adopted as they appear to exhibit the correct amounts.

4. It is observed from the first part A of list No. 1, of increased rates of pension to existing Stipendiaries that the actual charge on this account will be Rupees 25-4-0 per mensem, or Rupees 49-14-0 less than the amount specified at the end of the list and included in the grand total. To prevent the possibility of a double payment, the previous grants to the servants mentioned in part A of the list must be considered as cancelled.

Increased rates, Rupees	75	2	0
Already sanctioned & received by them	49	14	0
Actual increase	25	4	0

5. In paragraphs 2 and 3 of his letter the Agent refers to the case of Rajah Eshwar Doss Dayawant Bahadur who is admitted (in lieu of one-third already sanctioned) to a pension at one-half rate to which he is entitled on account of ancestral service. His name being already entered in the list of Chief Officers of the late Nawab, it will of course continue there, and the grant of the increased rate will not affect his present position. This Stipendiary, it is observed, has already been recommended to Her Majesty's Government for a pension, equal to the full pay of the office he has held.

Proceedings of the Madras Government, Political Department,
31st August 1861.

6. The Government remark that the entry of the name of Mahomed Hoossain in part A of list No. 1, was out of place, and unnecessary; it was no transfer from one rate of pension to another as in the other cases; but it seems that for the sake of an addition of one Anna to his present stipend of Rupees 7-8-0, his name was inserted in that list.

7. In sanctioning the lists submitted by the Agent and the several payments for which they provide, as specified in paragraph 2 of these Proceedings, the Government have no alternative but to authorize the Sub-Treasurer to advance the sums required, for which Treasury Orders will be issued on the application of the Agent, and to instruct the Accountant General to provide in the Supplemental Budget under preparation for the necessary outlay, with a further margin of Rupees 1,600 to meet any other cases which may be reported during the current year.

I see nothing to remark upon in this except that perhaps it may be as well to omit paragraph 7 — for I believe that it and even — though he does not explicitly state it — why Dr S. did not enter this item in his budget of 1861/62 was that he expected to have paid them all in 1860/61 — and he could not well put them down for both years — But if it be the case should be carefully

List No 1. Rs: 185-5-n — One hundred and eighty-five and Annas five per mensem, on account of pensions at half and full rates in lieu of 1/3rd and 1/2, and of B pensions in lieu of gratuities.

1854. Rs: 6,404-10-11 — Six thousand four hundred and four, Annas ten and Pice eleven, on account of 4 — do — do — at Outstations.

3. There is a difference between the amounts of Lists Nos 1. 3 & 4 and those entered in the Agents letter as "now first recommended," as shown below:-

per Lists	According to letter	Difference
No 1 — Rs. 185-5-n	Rs: 236-7-n	Rs. 51-2-n

Total 9,475-4-3	" 10,815-8-3.	" 1,341-4-n

The sums entered in the Lists will be adopted as they appear by exhibiting the correct amounts.

4. It is observed from the first part A of List No 1. of increased rates

rates of pension to existing
Stipendiaries that the ac-
tual charge on this account
will be Rs: 25-4-0 per men-
sem, or Rs: 49-14-0 less than
the amount specified at
the end of the List and in-
cluded in the grand Total.
To prevent the possibility
of a double payment, the
previous grants to the per-
sons mentioned in part
A of the List must be con-
sidered as cancelled.

Increased rates - Rs: 75-2-0
Already sanctioned
& Reserved by them 3 - 49-14-0
Actual increase 25-4-0

5. In para 2 of
his letter the Agent refers
to the case of Rajah Esh-
wur Dass Dayawunt
Bahadur who is admit-
ted to a pension at one-
half rate to which he
is entitled on account of
ancestral services. His
name being already en-
tered in the List of Chief
Officers of the late Nawab,
it

* (in lieu of one third al-
ready sanctioned)

it will of course on a-
ccession there, and the grant
of the increased rate
will not affect his pre-
sent position. This Sti-
pendiary, it is observed,
has already been recom-
mended to Her Majesty's
Government for a pension
equal to the full pay of
the office he has held.

6. The Govt remark
that the entry of the name
of Mahomed Hoossain
in Part A of List No. 1 was
out of place and unne-
cessary; it was no
transfer from one rate to
another as in the other
cases, but it seems that
for the sake of an ad-
dition of one anna to his
present stipend of Ru-
pees 7-8-0 his name was
inserted in that List.

7. It appears from
the information fur-
nished

furnished in the last para of his letter that the Agent though fully aware of the payments that would have to be made in the current official year on the above accounts, did not provide for them in his Budget Estimate of 1860/62. It is no plea to say now for this omission, that provision was made in the Estimate of 1860/61, the previous year, and that after making these payments the amount would still be under that Estimate. He ought to have known that under the Budget system charges occurring in one year cannot be met out of funds estimated and allotted for similar disbursements in a previous

previous year.

7. In sanctioning the Lists submitted by the Agent and the several payments for which they provide, as specified in para 2 of these Proceedings, the Govt have no alternative but to authorize the Sub Treasurer to advance the sums required, for which Treasury orders will be issued on the application of the Agent - and to instruct the Accountant General to provide for them in the Supplemental Budget under preparation for the necessary outlay, with a further margin of Rs 1000 towards any other calls which may be reported during the current year.
