Proceedings of the Madras Government, Political Department,  
16th September 1861.

No. 34. Read the following letter from Surgeon Major EDWARD G. BALFOUR, Government Agent at Chepauk, and Paymaster of Carnatic Stipends; to the Chief Secretary to Government, Fort Saint George, dated 22nd August 1861, No. 1,055.

I have the honor to submit the following case for the Orders of His Excellency the Governor in Council.

| Sircar List. | Name.                                                   | Occupation.   | Monthly salary. |    |    | Period of personal and ancestral service. |     |     | Amount of pension entitled to. |    |    |

2. By G. O. No. 661, dated 12th November 1859, was sanctioned a stipend as per margin.

3. Petitioner's father was entertained on the 1st March 1818.

On the 2nd September 1844, his avocation as Daroody is entered and his name is borne on the Sircar books till Nabob's demise.

4. But it has not been ascertained that he ever did any duty, and a petition from his son above, has stated that he became insane and disappeared, and that his duty for 30 years was performed by his eldest son and thereafter by petitioner, the younger son, on the margin above.

5. Neither of these sons' names, however, is entered on the Sircar records as a servant; but after 1844, entries in the Acquittance Rolls show that the pay against his father's name was occasionally paid to the younger son, and the testimony of Sircar servants is to the effect that the son on the margin did for some unascertainable time perform the duties to which his father's name was appointed.

6. By G. O. No. 664, dated 12th November 1859, he was granted a pension of Rupees 3-8, which he drew till 31st May 1860, when I recognized him as the person whose previous prayers as per margin,† had been rejected and stopped it till reference could be made.

7. He was absent from Madras on leave till May last, I now submit his case asking the favor of a decision, as to whether since he was never an enrolled servant his stipend shall be continued to him or lapsed.

No. 35. ORDER THEREON, 16th September 1861, No. 399.

Upon a consideration of all the circumstances of this case, the Government are of opinion that the stipend granted to Syed Mustapha Mudrey, Daroody, under the sanction conveyed in the Orders of the 12th November 1859, No. 664, should not be interfered with, and they direct that it be re-issued to him from the date on which it was suspended, viz., 1st June 1860.

Secretary to Government.

Political - No. 371, G. H. No. 1050.  
Case of James Gustafson, Swedish.

It will always be felt as a great hardship, when a person is deprived of a pension to which he has been admitted on information considered sufficient to establish his claim to it, and which he has enjoyed for some time. In the present case it does not appear that any deceit or fraud was practiced by the party to secure his admission to a pension. It is stated that the father of the Pensioner was originally entered on the 1st March 1818 and that from the 3rd Sep. 1844 to the date of the Rev. also deceased his name was

was borne on the Savary books  
as Savary, but the duty of  
this office was actually per-  
formed by the son, in conse-  
quence of his father's insanity,  
and the salary occasionally  
drawn by him, as shown by the  
acquittances Rolls. On these  
grounds and the testimony  
of certain Savary servants, the son  
was admitted to a pension  
by Major Snow, the Assistant  
Agent, and the grant sanc-  
tioned by Govd 12 November 1859  
to 1864. Under this sanction the  
son drew the pension until  
the end of May 1865, when it  
was stopped by D. Baffon,  
the Agent, and a reference  
to Govd is only now made  
after the lapse of 15 months.  
The reason assigned for the

the stoppage of the pension is  
that the man was assigned  
as the writer of certain Rolls  
in 1855 & 1857, the prayers of  
which were repeated by Govd.  
But the pension was granted  
in November 1859 on two years  
after, on information and  
testimony afforded in the  
case, which satisfied the  
Assistant Agent, Major Snow.  
The claim hinges on the ques-  
tion, whether a man who ac-  
tually performed the duties  
of an office, but had not his  
own father's name borne on the books as  
the incumbent of that office,  
is entitled to a pension for  
such service. It must be  
stated that in this case the son  
was admitted to a pension in  
right of his own & his father's  
service from 1st March 1818.
