*Proceedings of the Madras Government, Political Department,
15th October 1861.*

Read the following papers:--

No. 35. From Major F. H. SCOTT, Deputy Quarter Master General of the Army; to Colonel H. MARSHALL, Secretary to Government, Military Department, dated 4th September 1861, No. 68-206.

I have the honor, by order of the Provincial Commander-in-Chief, to request you will inform me, whether the continuance of the Detachment of Native Infantry at Tanjore is likely to be of such duration as to make it desirable to repair the place of Arms now occupied by it.

2. The Chief Engineer states, that the cost will amount to 85 Rupees which exceeds $\frac{1}{4}$ th the value of the building, and, therefore, not within his competence to sanction.

Referred to the Political Department.

FORT SAINT GEORGE,
7th September 1861.

(Signed) H. MARSHALL, Colonel,
Secretary to Government.

Referred to the Government Agent and Magistrate of Tanjore for his report.

Depy. Secy. to Government.

No. 36. From W. M. CADELL, Esq., Magistrate of Tanjore; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated Vellum, 27th September 1861, No. 270.

I have the honor to acknowledge the receipt of the Order* of Government, dated the 16th September, forwarding a letter from the Deputy Quarter Master General of the Army and calling upon me to report on the probable continuance of the Detachment of the 15th Native Infantry at Tanjore.

In reply I beg to state that, as Magistrate, I have long since been of opinion that the presence of the Detachment is not required for the maintenance of the public peace. It is, however, for the Government to determine whether, in consideration of the large amount of property located in the Palace, it is desirable to retain a Military Guard or not, but my own opinion is that the safe custody of this property may be, with confidence, entrusted to the new Police. Should the Government determine on withdrawing the Detachment, an addition to the Police Force of not less than 35 men will be indispensably necessary.

No. 37. ORDER THEREON, 15th October 1861, No. 453.

Ordered that the report of the Magistrate of Tanjore be communicated through the Military Department to the Deputy Quarter Master General in reference to the enquiry contained in his letter of the 4th ultimo, No. 68. As it appears that the withdrawal of the Detachment of Native Infantry at Tanjore will involve the employment of 35 extra Police Peons, the Government think that it would be more economical to repair at a cost of 85 Rupees the building now occupied by it.

(Signed) J. D. SIM,
Secretary to Government.
