*Proceedings of the Madras Government, Political Department,
17th October 1861.*

Read the following Petition :—

No. 46. To the Right Honorable the Governor in Council, Fort Saint George.

The humble Petition of NAGOJEE APPAGEE
NAICK, residing at the Street of Raja
Gopala Samy Covil, within the Fort of
Tanjore, now residing at the Street of Pooja
Mandabum at Trivady.

MAY IT PLEASE YOUR EXCELLENCY,

That with due respect I beg to represent to your Excellency that H. D. Phillips, Esq., the then Commissioner of Tanjore sent me a letter in Tamil that the Right Honorable the Supreme Government passed decision on the 9th July 1860 that Rupees 16,200 due to me by the Rajah of Tanjore may be paid to me.

While there are Rupees 23,850 with its interests due to me by the Rajah of Tanjore which I have lent in ready money to the late Rajah, most part of it was deducted although a decision was passed to pay me Rupees 16,200, yet as it was not paid to me for the purpose of enabling me to satisfy my debtors from whom I borrowed the amount referred above and lent it to the late Rajah, one of them instituted a suit in the Court of His late Highness against me and after obtaining a decree in his favour, he presented a motion to the Judge in the Zillah Court to execute the decree; I was thereupon confined in the Jail, all my estates to the amount of Rupees 20,000 were exposed into public auction to the amount of Rupees 7,000 and odd and in consequence of which I have sustained great losses by having disposed for lower price, the other debtors intend to institute suits against me in the Court.

In consequence of inconveniences to which I am now subjected by the other debtors, I have on the 25th May 1861 submitted a Petition to your Excellency soliciting to cause an order to pay me the said sum according to the decision for which an endorsement was sent to me thus :

“ No. 1620 of 1861.

“ Government on the 12th October 1860 made reference in Petitioner's favor to the Secretary “ to Government of India and as yet no reply had been received. Petitioner is informed that “ while Government regrets the inconvenience to which he represents he has been exposed, they “ are unable to comply with his request and order the payment of the Rupees 16,200 claimed by “ him until such payment has been duly sanctioned by the Government of India.

FORT SAINT GEORGE,

27th JUNE 1861.”

When I submitted a Petition to the Right Honorable the Supreme Government, an endorsement was sent to me thus :

“ No. 4,079. Returned to the Petitioner with intimation that no trace of any order for the payment of Rupees 16,200 can be found, and that he should apply to the Government of Madras.”

I therefore humbly beg your Excellency will be pleased to cause an order that the sum of Rupees 16,200 may be paid to me according to the decision.

For which act of humanity, I as in duty bound, shall ever pray.

TANJORE,

28th August 1861.

No. 47.

ORDER THEREON, 17th October 1861, No. 459.

Nagoji Appaji Naick repeats the subject matter of his Petition No. 1,620 of 1861 setting forth his claim on the late Tanjore Rajah for Rupees 16,200, and with reference to the Order of Government thereon, dated the 27th June 1861, he now explains that, having himself addressed a Petition on the same subject to the Government of India direct, he has been informed in reply that “ no trace of any order for payment of Rupees 16,200 to him can be found,” and he is again referred to this Government.

*Proceedings of the Madras Government, Political Department,
17th October 1861.*

2. The Government observe that Petitioner's name appears as No. 6 on the list of "claims against the late Rajah of Tanjore preferred to the Commissioner in person" which was forwarded with a recommendation for sanction to the Government of India along with this Government's letter No. 608 dated the 12th October 1860. No reply has yet been received to that, and other communications relating to subjects connected with the late Tanjore Raj, and the Government resolve again to draw the attention of the Government of India to those letters with a view to the matter being disposed of at an early date. Copy of the foregoing Petition will at the same time be forwarded for the information and orders of the Government of India.

Secretary to Government.

No. 48. To the Secretary to the Government of India, Foreign Department, dated Fort Saint George, 18th October 1861, No. 460.

I am directed by the Honorable the Governor in Council to forward for the information and Orders of the Government of India the accompanying copy of a Petition addressed to this Government by Nagoji Appaji Naick, one of the creditors of the late Tanjore Rajah, the amount of whose claim (Rupees 16,200) was recommended for sanction in the letter from this Government to the Government of India dated the 12th October 1860, No. 608; Petitioner's name will be observed placed No. 6 on the list of "claims preferred to the Commissioner in person" which formed one of the Appendices of the above quoted letter.

2. I am further instructed again to draw the attention of the Government of India to the various letters of this Government noted in the margin on the subject of the payment of the debts of the late Rajah of Tanjore, the pensioning of his family and servants, and the disposal of the other questions connected with the extinction of the Tanjore Raj. The delay in the settlement of these matters bears very heavily on the creditors, and the speedy arrangement of the affairs of the Tanjore Raj is for many reasons highly desirable. The favor of early instructions on all the points referred to in the letters of this Government is therefore requested.

Secretary to Government.

*This seems correct -
Let me French see that
all our unanswered
applications to the Govt of
India connected with
the settlement of the
Tanjore affairs are
daily entered in the margin
of the letter. I do not know
that any have been omitted*
