PROCEEDINGS OF THE MADRAS GOVERNMENT.

Read the following letter from Lieutenant-Colonel W. H. HORSLEY, Chief Engineer, to J. D. SIM, Esq., Acting Secretary to Government, dated Chepauk, 9th January 1861, No. 8,657:—

SIR,

1. With reference to the application from the Resident of Travancore for assistance from the Public Works Department, forwarded to me for report in the Proceedings of Government, dated 24th December 1860, No. 2,654, I have the honor to state that at present there are the following vacancies among the Upper Subordinates besides several in the Lower Subordinates, which it is found most difficult to fill, viz.:—

	Overseers.	Assistant Overseers.
Vizagapatam...	1	"
North Canara..	1	"
Nellore .	"	1
Cuddapah ...	"	1
Godavery ...	"	1
Kistna... ..	"	1
Madras... ..	"	1
Salem... ..	"	1
Total.....	2	6

2. In addition to the above there are five temporary vacancies caused by the absence on Sick Certificate of 2 Sub-Engineers, 2 Overseers and 1 Assistant Overseer. During the past year

	Upper Subordinate.	Lower Subordinates.	
Irrigation Company..	1	2	also, several Subordinates were with-
Straits Settlements..	"	4	drawn from the Department for employ-
Total.....	1	6	ment with the Irrigation Company or
			under the Chief Engineer of the Straits
			Settlements. It is evident, therefore, that

the aid sought by the Travancore and Cochin Government cannot be supplied at present without much inconvenience to the Department; but in May next several of the Students in the Presidency Civil Engineering College will have qualified for the grade of Assistant Overseer, and it may then be in my power to furnish the assistance required by the Resident at Travancore.

ORDER THEREON, 16th January 1861, No. 99.

Communicated to the Political Department with reference to the Proceedings in that Department, dated 19th December 1860, No. 737.
