*Proceedings of the Madras Government, Political Department,
28th January 1861.*

No. 122. Read the following letter from Surgeon Major EDWARD G. BALFOUR, Government Agent at Chepauk and Paymaster of Carnatic Stipends, to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 14th January 1861, No. 60.

I have the honor to report to the Honorable the Governor in Council with reference to the Order of Government as per margin* that Her Highness in the letter of this date, copy of which is subjoined, has intimated that she has instituted a prosecution for perjury against Manik Chund and that Her Highness will allot about Rupees 1,500 per mensem, (Rupees 1,800 — Rupees 300), for the liquidation of the debts against her.

2. I have the honor to submit that the sum proposed, viz., 1/6th of her allowance seems to me as large as could be allotted by Her Highness, and if approved of by the Honorable the Governor in Council, I will ask Her Highness to oblige me with a monthly list not later than the 25th of each month of all wage and debt claims paid off in the month preceding, in order to be able to reply to Petitioners.

From Her Highness NABOB KHYRE-OON-NISSA BEGUM, to the Government Agent at Chepauk and Paymaster of Carnatic Stipends, dated 14th January 1861, No. 2.

After presenting my compliment, I have the honor to acknowledge the receipt of your communication of the 9th instant, No. 26. I will hereafter in replying to the Orders of Government pursue the course you have kindly suggested in your said letter. In order to liquidate the due claims of the arrears of wages, as well as of debts, I have with all the possible means tried to afford (or to separate, from my income, by retaining the more needful expenses of my household establishments) a sum of one thousand eight hundred and odd Rupees : out of which you will be pleased to deduct monthly a sum of three hundred and odd Rupees for discharging my Income Tax ; as to the remaining sum, I am ready to distribute it, as you will be good enough to arrange the settlement of the said claims, and I assure you that there seems no possibility to afford or to appropriate any more sum than what is mentioned above ; therefore you will, by taking into consideration the diminutiveness of my income and the greatness of the needful expenditures, kindly satisfy the Government that the sum I have appropriated to liquidate the said claims of arrears, and of debts, is admissible ; and I beg to inform you that I have caused a prosecution to be made against Manic Chund, for his obtaining the Decree through perjury, wherefore you will be good enough not to take for the present any measure with respect to his debts ; but after the decision you will be pleased to take it into your consideration.

Let your favor be increasing.

Seal of Her Highness Nabob KHYRE OON NISSA BEGUM.

(True Copy.)

(Signed) EDWARD G. BALFOUR,
Government Agent.

No. 123. ORDER THEREON, 28th January 1861, No. 66.

The Order of Government dated the 14th November last, No. 674, directed the Agent to ascertain from Her Highness Khair-Oon-Nissa Begum in what manner she proposed to discharge the amount which had been decreed against her by the Supreme Court on Manick Chund's action. In her letter to the Agent which is now submitted, Her Highness states that she has instituted a prosecution for perjury against Manick Chund in the matter of the Decree obtained by him. The Government Solicitor will be requested to report whether such is the case.

2. The Government are glad to learn that Her Highness has proposed to allot a sum of 1,500 Rupees per mensem out of her allowance for the payment of the debts due by her. There is no objection to the Agent receiving from Her Highness a list by the 25th of each month of all claims settled in the preceding month, but it must be distinctly understood that the Government will not in any way mix themselves up with Her Highness' debts.
