Political DEPARTMENT.

G.O. No.	2	Press Mis
Dated	8. 1-	1862

Not to be folded or roughly handled

*Proceedings of the Madras Government, Political Department,
8th January 1862.*

No. 2. Read the following letter from Captain R. S. WILSON, Government Agent at Chepauk, and Paymaster of Carnatic Stipends; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 18th December 1861, No. 1,406.

I have the honor to bring to your notice that the present arrangements regarding Carnatic Stipendiaries residing in the Mofussil, are unsatisfactory.

2. An annual Return is directed to be furnished to this Office from Collectors and others in whose Districts Carnatic Stipendiaries reside. These Returns ought to show all Increase and Decrease during the past year, and if they were accurately prepared and regularly furnished, this Office would be in a position to supply Government with reliable information; which is called for from time to time.

3. These Returns, however, are prepared inaccurately, and furnished irregularly and it has therefore been found, by enquiries instituted by my predecessor, Dr. Balfour, that this Office is not in a position to supply Government with correct information on this subject.

4. I therefore request the permission of Government to furnish the Officers concerned with annual Lists in the annexed Form showing the number of Carnatic Stipendiaries, who ought to be resident within their respective Districts—and to call on these Officers to compare these Lists with their own, with a view to mutual correction.

5. I trouble Government on the matter only because it has been found by experience that applications from this Office produce no effect.
