*Proceedings of the Madras Government, Political Department,
28th April 1862.*

No. 50. Read the following letter from Captain WALTER DOUGLAS, Commanding 21st Regiment, N. I.; to the Adjutant General of the Army, Fort Saint George, dated Vellore, 9th April 1862, No. 164.

Private Khader Moheedeen, No. 2,039, of the 21st Regiment N. I., makes a claim against the Estate of his late Highness the Nabob of the Carnatic, alleging that he served three years from 1854 to 1857 as a Sepoy and seven years from 1847 to 1854 as a Pension Boy in the Nabob's service, from which he was transferred to the 21st in 1857.

The claim was in the first instance made to the Government Agent Chepauk, who intimated that the claimant must appear personally, and the man was accordingly granted leave to proceed to Madras for this purpose. By an oversight, the date given in the Fort Saint George Gazette as the latest up to which claims of this nature would be received, was understood to be the 31st March instead of the 15th of that month, and claimant reached the Government Agent's Office four days after the specified time, and was told that his claim could not then be investigated without the special permission of Government.

Under these circumstances I have ventured to forward the claim in order that, should His Excellency the Commander-in-Chief see fit, it may be submitted for the consideration of Government.
