*Proceedings of the Madras Government, Political Department,
21st May 1862.*

Read the following papers:—

No. 50. From MOOSTAFEE-ODD-DOWLAH BAHADOOR; to A. J. ARBUTHNOT,
Esq., Acting Chief Secretary to Government, Fort Saint George, dated 10th May 1862.

I have the honor to forward the enclosed Memorial and request you will lay the same before
His Excellency the Governor in Council as soon as convenient.

To His Excellency Sir W. T. DENISON, K.C.B., Governor in Council, Fort Saint George.
The humble Memorial of MOOSTAFEE-ODD-
DOWLAH BAHADOOR.

RESPECTFULLY SHEWETH,

That the Receiver of the Carnatic Property having received instructions to sell certain landed
properties at Trichinopoly belonging to the Estate of the late Nawab of the Carnatic intends,
it is believed, to sell also the village of Panganore, which was originally granted for the Charity
Chuttrum of the Begum Sahiba, the wife of the Nawab Wallajah situated at Marungapettai.

2. That the said village, was not the property of the late Nawab is evident, from its not
being included in the list of villages and gardens directed to be delivered over to the Nawab's
Agent, sent to the Collector of Trichinopoly by the Board of Revenue under date the 23rd
December 1801—so that for more than 60 years, the revenues of the village have been appropri-
ated to the repairs of the Chuttrum, and for the expenses of Charity to travellers, without any
question as to the validity of the grant for the said purposes.

3. That the grant of the village was made, under an Enayetnamah, dated 16th Rajab
Higiri 1212 of Hissam-ool-Moolk, which Enayetnamah was delivered to Mr. Wallace the Col-
lector, and his receipt obtained for the same, and that the estimated annual value of the village is
set down at Pagodas 298-21-77, as well be seen from the Register of Wallace and Travers, dated
21st October 1814.

4. From the foregoing statements and documents your Memorialist trusts that your Ex-
cellency in Council will be satisfied that the said village of Panganore does not form any portion
of the Nawab's landed property, but that it has been distinctly set apart and its revenues ap-
propriated for charitable purposes. But should your Excellency in Council entertain any doubt
as to the real nature of the grant, your Memorialist would respectfully solicit a reference to the
Dowle accounts of Murungapettai, in which it is clearly shown that the revenue of the village
was allowed for the use of the Chuttrum, and that it has been so applied for nearly a century. Your
Memorialist would also add that no portion of the income has ever been paid into the Treasury
of the Nawab at Madras, either for his own private use, or for the use of the State, and this can
be proved by the Sirkar records, now in charge of the Government at Chepauk.

5. Under the foregoing circumstances, your Memorialist prays that your Excellency in
Council will issue orders to the Receiver of the Carnatic Property not to interfere with the said
village, but to continue it to your Memorialist under the terms of the original grant and for the
purposes therein specified.

And for which act of charity your Memorialist, as in duty bound, shall ever pray.

MADRAS,

10th May 1862.
