1	Bill for Donation of the late Nabob of the Carnatic to the Monegar Choultry for April 1862.....	Rs. 87-8-0
1	Do. for the maintenance of certain Tombs at Madrasfor the same month.....	,, 421-9-4

I have the honor to transmit herewith, for the orders of Government, two Bills as per margin, received from the Officiating Civil Paymaster, and to state that no provision has been made in the Budget of 1862-63 for the charges on that account. A communication was addressed by this Office on the 13th instant to the Government Agent at Chepauk requesting him to state the cause of the omission and also if the charges could not be met from savings from any other items in his Budget Estimate for 1862-63. In reply that Officer states that, under Orders of Government dated 11th August and 23rd December 1858, Nos. 508, 829 and 836, the Agency has no cognizance over the charges in question, the first being under the Commissioner of Police which however is not the case, and the second under the Ex-Dewan of the Durbar. The former Officer however has not provided for the charge in his Budget Estimate as it was formerly a Donation to the Monegar Choultry on the part of the late Nabob of the Carnatic, and continued by this Government, nor has the Dewan as it has not been customary for him to furnish any Estimate to this Office. The Chepauk Agent adds that the charges could not be met from savings in any other items under " B. II. Allowances and Assignments under Treaties and Engagements," to which head the charges in question are debitable. Under these circumstances, I beg to suggest to Government, that the Civil Paymaster be directed to pass the charges* against the above mentioned head although no specific provision has been made under it to meet them, as they can be met from the provision made for " Commutation of Pensions, viz., Rupees 2,04,000," in which item is included Rupees 1,00,000 on account of commutation of Carnatic stipends ; and that the Government Agent at Chepauk be ordered to restrict the charge on account of Commutations to Rupees 93, 891, instead of Rupees 1,00,000, for the current year.

*Rupees 6,109 per annum.

No. 11. ORDER THEREON, 4th June 1862, No. 224.

Resolved, as suggested by the Acting Deputy Auditor and Accountant General, that the Civil Paymaster be directed to pass the charges* noted in the margin against the sum of one lakh of Rupees provided on account of Commutation of Carnatic stipends in the Estimate B. II. " Allowances and Assignments under Treaties and Engagements."

*Donation of the late Nabob of the Carnatic to the Monegar Choultry Rupees 1,050 per annum.
Maintenance of certain Tombs at Madras, Rupees 5,059 per annum.
Amounting together to Rupees 6,109 per annum.

2. The Government Agent at Chepauk, to whom a copy of the above letter will be furnished, will be instructed to restrict his application for the commutation of stipends in the current year to the balance of Rupees 93,891, after deducting the amount of the above mentioned charges not provided for in the Budget for 1862-63.
