Book and Adjustment Department.

With reference to the Order of Government, No. 193, dated 17th instant, Political Department, communicating the decision of the Government of India, in connection with the extinction of the Rajah of Tanjore, I have the honor to request, that you will be pleased to obtain the Orders of Government, as to whether the payments made, and the value of grain supplied to the Palace, on account of His late Highness the Rajah of Tanjore, and debited in the accounts of this Office, to "The late Rajah of Tanjore," are to be transferred to the proper head of charge, now that this question has been finally settled. I beg to refer you to paragraph 2 of the Order of Government, No. 409, dated 23rd July 1859, Financial Department, passed on Mr. Prendergast's letter of the 4th idem, No. 110, in which, it was decided that it was not then desirable to make any change in the mode in which the payments made on account of the late Rajah of Tanjore, were brought to account.

No. 21. ORDER THEREON, 10th June 1862, No. 233.

The Governor in Council is of opinion that the items referred to, which have hitherto continued to be debited to the personal head of "The late Rajah of Tanjore," should now be treated as charges of the State; and he accordingly directs that they be transferred to the proper head of charge in the public accounts.
