Proceedings of the Madras Government, Political Department,

27th June 1862.

No. 53. Read the following letter from W. FISHER, Esq., Resident of Travancore and Cochin; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated Trevandrum, 7th June 1862, No. 36.

I have the honor to acknowledge the receipt of the Proceedings of the Madras Government of the 30th April last, No. 168, regarding the grant of the right of adoption to the Native Princes and Chiefs of India, and to report for the information of His Excellency the Governor in Council that the letter to His Highness the Rajah of Travancore together with the Sunnud from the late Viceroy and Governor General of India therewith received, were delivered to His Highness on the 17th ultimo, in Public Durbar.

2. On the letter and Sunnud being read, His Highness the Rajah expressed to me in words those feelings and sentiments which are now conveyed in His Highness' reply which I have the honor to transmit with the usual copy.

To His Excellency the Honorable Sir W. DENISON, K. C. B., Governor in Council, Fort Saint George, &c., &c., &c.

I have been honored with your Excellency's letter with which you have forwarded to me a Sunnud on the subject of the adoption of heirs, and issued under the orders of Her Most Gracious Majesty the Queen.

2. I need hardly say that this conspicuous proof of Her Majesty's desire that the Governments of the several Princes and Chiefs of India should be perpetuated, has afforded myself and my family the greatest pleasure.

3. The adoption of two female heirs, which took place in my family in December 1857, had indeed already been recognized by the British Government, and the Sunnud now received, further confirms this adoption.

4. I request that your Excellency will be so good as to convey to Her Most Gracious Majesty the Queen, the strongest expressions of my sincere gratitude for the Sunnud now received.

5. I eagerly avail myself of this opportunity to renew my assurances of strong attachment and invariable fidelity to the British Crown, under whose powerful and enlightened protection, this State and its rulers have enjoyed so much happiness and prosperity.

6. It will ever be my sincere prayer that the Almighty may confer the choicest blessings on the British Power, and grant every success to all its noble and generous endeavors for the good of Hindustan.

With my best wishes for your Excellency's welfare and happiness.
