Proceedings of the Madras Government, Political Department, 25th July 1862.

No. 65 Read the following letter from JAMES INNES MINCHIN, Esq., Collector of Kurnool; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 30th June 1862, No. 27.

On the 26th January 1861, I had the honor to report to Government on the claim for pension preferred by Inayat Khatoon, grand-daughter of the late Nawab Goolam Russool Khan of Kurnool.

I then reported as follows :—

2. "The Petitioner's mother Yacoob Khatoon was a daughter of the late Nawab Goolam "Russool Khan, and drew a stipend from the Government of Rupees 150 monthly "as per Order of 17th November 1840."

3. "Yacoob Khatoon married Hussan Ally Khan, the son of the late Goolam Khader "Khan, brother of the late Nawab, and who was in receipt of a pension of Rupees "4,000 per annum."

4. "Yacoob Khatoon died on the 1st December 1853, and the then Agent recommended "the continuation of two-thirds of her pension, Rupees 100 per mensem, to her "husband Hussan Ally Khan for the support of himself and daughter, the present "Petitioner."

5. "The Government rejected the application, on the ground that Hussan Ally Khan "should look properly for support to his father Goolam Khader
No. 278 of the 18th July 1854. "Khan, who was in receipt of a handsome allowance."

6. "Goolam Khader Khan himself died on the 3rd February 1859, and amongst other "Members of his family, provision was made for Hussan Ally Khan by continuing "to him a pension of Rupees 60 per mensem. His daughter, the Petitioner, was "supposed to be under his protection, and no separate allowance was made for her "out of Goolam Khader Khan's pension which then lapsed to Government."

7. "Hussan Ally Khan has since remarried, and his daughter the Petitioner prays for a "personal allowance to assure herself from want, out of the pension which lapsed to "Government on the death of her own mother Yacoob Khatoon in 1853."

8. "The Government having called for a report on the Petitioner's claim, I would take "the opportunity of bringing it to their favorable notice, and trust that on a liberal "view of the case they may deem fit to sanction a fifth portion of the late Yacoob "Khatoon's pension, or Rupees 30 per mensem, to be continued to the Petitioner "for life."

2. Government then decided against the Petitioner's request, on the ground that her father, Hussan Ally Khan was bound to maintain her, and that to him she must look for support.

3. I now regret to state that Hussan Ally Khan has also died on the 21st of this month, and I beg again to recommend Inayat Khatoon's case for the favorable consideration of Government, as in spite of her distinguished birth she is now destitute of any means of support beyond what Government may be pleased to grant.

4. I would recommend that one-half her father's pension, Rupees 30 per mensem, be continued to her for life

Proceedings of the Madras Government, Political Department, 25th July 1862.

4. An application had formerly been made on behalf of this lady when her mother Yacoob Khatoon, who was a daughter of the late Nawab of Kurnool, and a Stipendiary, died in 1853 but her claim was not then admitted, the Government being of opinion that Inayat Khatoon should look for support to her father Hussan Ally Khan.

5. As it appears that Inayat Khatoon, in spite of her distinguished birth, has no means of support, the Government resolve to submit the application made on her behalf, for the favorable consideration of the Government of India.

No. 67. To the Secretary to the Government of India, Foreign Department, dated Fort Saint George, 25th July 1862, No. 292.

I am directed by the Honorable the Governor in Council to submit for the consideration and Orders of the Government of India, copy of a letter from the Collector of Kurnool, reporting the death, on the 21st June last, of Hussan Ally Khan a nephew of the late Nabob of Kurnool, and proposing that 30 Rupees per mensem, being one-half of the pension enjoyed by the late Hussan Ally Khan, should be continued to his daughter Inayat Khatoon.

Memorandum on the application of the Collector of Kurnool dated 30th June 1862 - No. 27 - in behalf of Inayat Khatoon, daughter of the late Hussan Ali Khan. For Orders

Hussan Ali Khan, whose death is now reported, was the son of Kholam Kadir Khan Bahadur, brother of the late Nawab of Kurnool. He first married Yacoob Khatoon, who was a daughter of the Nawab Kholam Russool Khan, who was in receipt of a monthly stipend of Rs 150 granted to her in November 1840. This lady died in December 1853 & the Collector recommended that two-thirds of the lapsed stipend or Rs: 100 per mensem might be continued for the support of her husband & only child Inayat Khan, in whose behalf the present application is submitted by the Collector.

ter dated 24th June, 1854 - No 9.

in Co. 18th July, 1854. No. 278.

2. The Govt: observed that the stipend drawn by Yacoob Khatoon was conferred only for her life - that her husband Hussan Ali Khan was the

the son of Kholam Khader Khan who was in the enjoyment of an ample allowance from Govt: & to whom he should properly look for support. Under these circumstances, the Govt: did not perceive sufficient grounds for recommending to the Govt: of India the continuance of any portion of the stipend of the deceased for the support of her husband & child, as proposed by the Collector.

3. In his letter of the 24th March 1859 the Collector reported the death of Kholam Khader Khan Bahadur, the father of Hussain Ali Khan - & the Govt: upon a consideration of the circumstances of the large family left by him, recommended to the Govt: of India that 2/3rds of the stipend of the deceased, or Rs: 222 per mensem, should be apportioned to the several members

× Rs: 4,000 per annum.

members - the respective shares to fall in absolutely on the death of the parties to whom they were granted. This was accordingly sanctioned by the Govt: of India. Under this arrangement, Hussain Ali Khan received a stipend of Rs: 60 per mensem - but having re-married, his daughter Sayut Khatoon by his first wife petitioned for the grant of a personal allowance out of the pension which had lapsed by the death of her own mother Yacoob Khatoon in 1853. The Collector recommended that 1/3rd of the lapsed stipend or Rs: 30 per mensem might be continued to the Petitioner for life.

4. The Govt: did not consider the circumstances were such as would justify them in recommending the grant of a pension. They observed that the stipend of Yacoob Khatoon, Petitioner's mother, was granted for life only, & that it lapsed on her death in 1853 - that Hussain Ali Khan, Petitioner's father

father, was in the enjoyment
of a stipend of Rs: 60 per men-

she must look for support.
