Proceedings of the Madras Government, Political Department,
31st July 1862.

Read the following papers :—

No. 79. Abstract of Petition from KHADER KHAN, residing at Kurnool, dated 11th June 1862.

Reports the death of his sister Mariyam Khatan who was in receipt of a pension of Rupees 29, Annas 4.

Submits the Endorsement of the Collector. Prays that as the pension of the deceased constituted the means of his support, a provision may be made out of the same for the maintenance of the Petitioner and his family.

No. 1,662 of 1862.

When pensions were granted, 8th September 1841, to the relatives of the late Nawab of Kurnul, it was explained to the recipients that their stipends were to be considered as life grants only.

Petitioner mentions that in a case similar to his own, namely, that of Yakhoob Khan Khas Khaila pension was granted.

No trace of any such grant can be found in this Office.

The petition is referred to the Collector of Kurnool for report. The Collector will be so good as to state if their is any precedent for the continuation of any of these grants or portions thereof to surviving relatives of the original grantees, and whether there are any special circumstances in this case entitling Petitioner to consideration.

FORT SAINT GEORGE,
3rd July 1862.

No. 80. From JAMES INNES MINCHIN, Esq., Collector of Kurnool; to the Acting Deputy Secretary to Government, Fort Saint George, dated 15th July 1862, No. 30.

* Herewith returned.

With reference to the Endorsement on the petition* No. 1,662 of 1862, dated 3rd July 1862, I have the honor to report that the Petitioner's sister was in receipt of a pension of Rupees 29-4 monthly, having been on the Establishment of the late Nawab of Kurnool.

† Khader Khan.

2. On this pension the Petitioner† and his family were supported until the death of the grantee, Mariyam Khatun.

3. Pensions of this nature have been continued in a great number of cases to surviving relatives, but generally to lineal heirs, as will be seen by the accompanying statement.

4. The case of Yakhoob Khan Khas Kail, quoted by the Petitioner is no precedent, as the party with that name was a former Yeomiadar, and his Yeomiah lapsed on his death.

5. I am acquainted with no precedent in which a portion of a female Pensioner's allowance has been continued to a brother, as prayed for by the Petitioner.

6. There are however the circumstances of great age and poverty, which I trust may be considered to entitle the Petitioner to consideration. Since the death‡ of his sister he is without any means of support, and subsists on the charity of the less needy among the Kurnool Khandans.

‡ 18th April 1862.

7. A pension of Rupees 10 per mensem would enable him to live in respectability for the short remainder of his life.

Proceedings of the Madras Government, Political Department, 31st July 1862.

No. 81. ORDER THEREON, 31st July 1862, No. 303.

In this letter the Collector of Kurnool furnishes information called for, in the Government Endorsement dated 3rd July, with reference to an application made by Khader Khan, for a continuation to him of a portion of his sister Maryam Khatun's stipend of Rupees 29-4-0 per mensem. The Collector reports that hitherto the Petitioner and his family have been supported from his sister's pension and that since her death in April last, he has been dependent on the charity of the less needy among the Kurnool Khandans. The Collector states that the present applicant is a very old man and that a pension of 10 Rupees per mensem would enable him to live in respectability for the short remainder of his life.

2. Pensions similar to that of Mariyam Khatun have been continued in a great number of cases, but generally to lineal heirs.

3. In consideration of the poverty and great age of the applicant by which he is precluded from supporting himself, the Governor in Council resolves to submit the claim of Khader Khan to the Government of India, with a recommendation that a life pension of 10 Rupees per mensem be granted to him.

(Signed) A. J. ARBUTHNOT,
Acting Chief Secretary.

No. 82. To the Secretary to the Government of India, Foreign Department, dated Fort Saint George, 31st July 1862, No. 303 A.

2. The deceased was on the Establishment of the late Nawab of Kurnool and received a stipend of Rupees 29-4 per mensem. 3. Petition addressed to His Excellency the Governor in Council by Ahader Khan residing at Kurnool.

Represents that Petitioners forefathers had been protected by the Nabobs of Kurnool.

Brings to notice that after the Nabob Alif Khan had admitted in his Palace his (Petitioners) two sisters, viz. Mariyum Khatoon, and Iaj Khatoon, (as his wives) he supported Petitioner on account of his being his brother in law; that after him, he was supported by Nabob Hoonavar Khan, and Nabob Gholam Rasool Khan - that when the Kurnool Territory was assumed by the British Government he brought his circumstances to the notice of Mr. Blaire the then Commissioner of Kurnool, who told him that he should look for his support to his sisters who will be admitted to Pension, and that there is no need of making a separate provision to him - that accordingly he was under the support of Mariyum Khatoon, and

his nephew under that of Saj Khatoon.

Observes that Mariyum Khatoon enjoyed an allowance of Rupees 29. as 4 from the Government, which constituted the means of his support, and that of his two wives and children - that on the demise of the said Mariyum Khatoon which took place on the 18th of April le / Pekhowie / brought his circumstances to the notice of the Collector, who told him to address the Government on the subject of his case - Submits the corroborement of the Collector - Adds that he has been up to this time under the protection of the Nabobs of Kurnool, that after the assumption of that Territory he has been under the support of his late sister who left him as her only surviving heir - that he being far advanced in age which is now verging on 70 years he is unable to go any where - & that he has no means of support, but the allowance above referred to - Prays that a pension may be granted to him out of the allowance of his deceased sister, as was done in case of one
