Proceedings of the Madras Government, Political Department, 6th August 1862.

No. 8. Read the following Petition from ALAGERIKONDA JETTY, residing within the Fort of Tanjore.

Submitting the Agent's Endorsement, states that he was a servant of the late Maha Rajah, in the Pamloke Department on a salary of 7 Rupees per mensem, and pleads his innocence of the charge that he joined with Mr. Norton against the Government in the Tanjore Palace affairs and prays for an order to the Agent to grant him pension as was done to many others who are similarly circumstanced with him and even to those who deposed against the Government in the Supreme Court.

(Dated 10th July 1862, No. 1,891.)

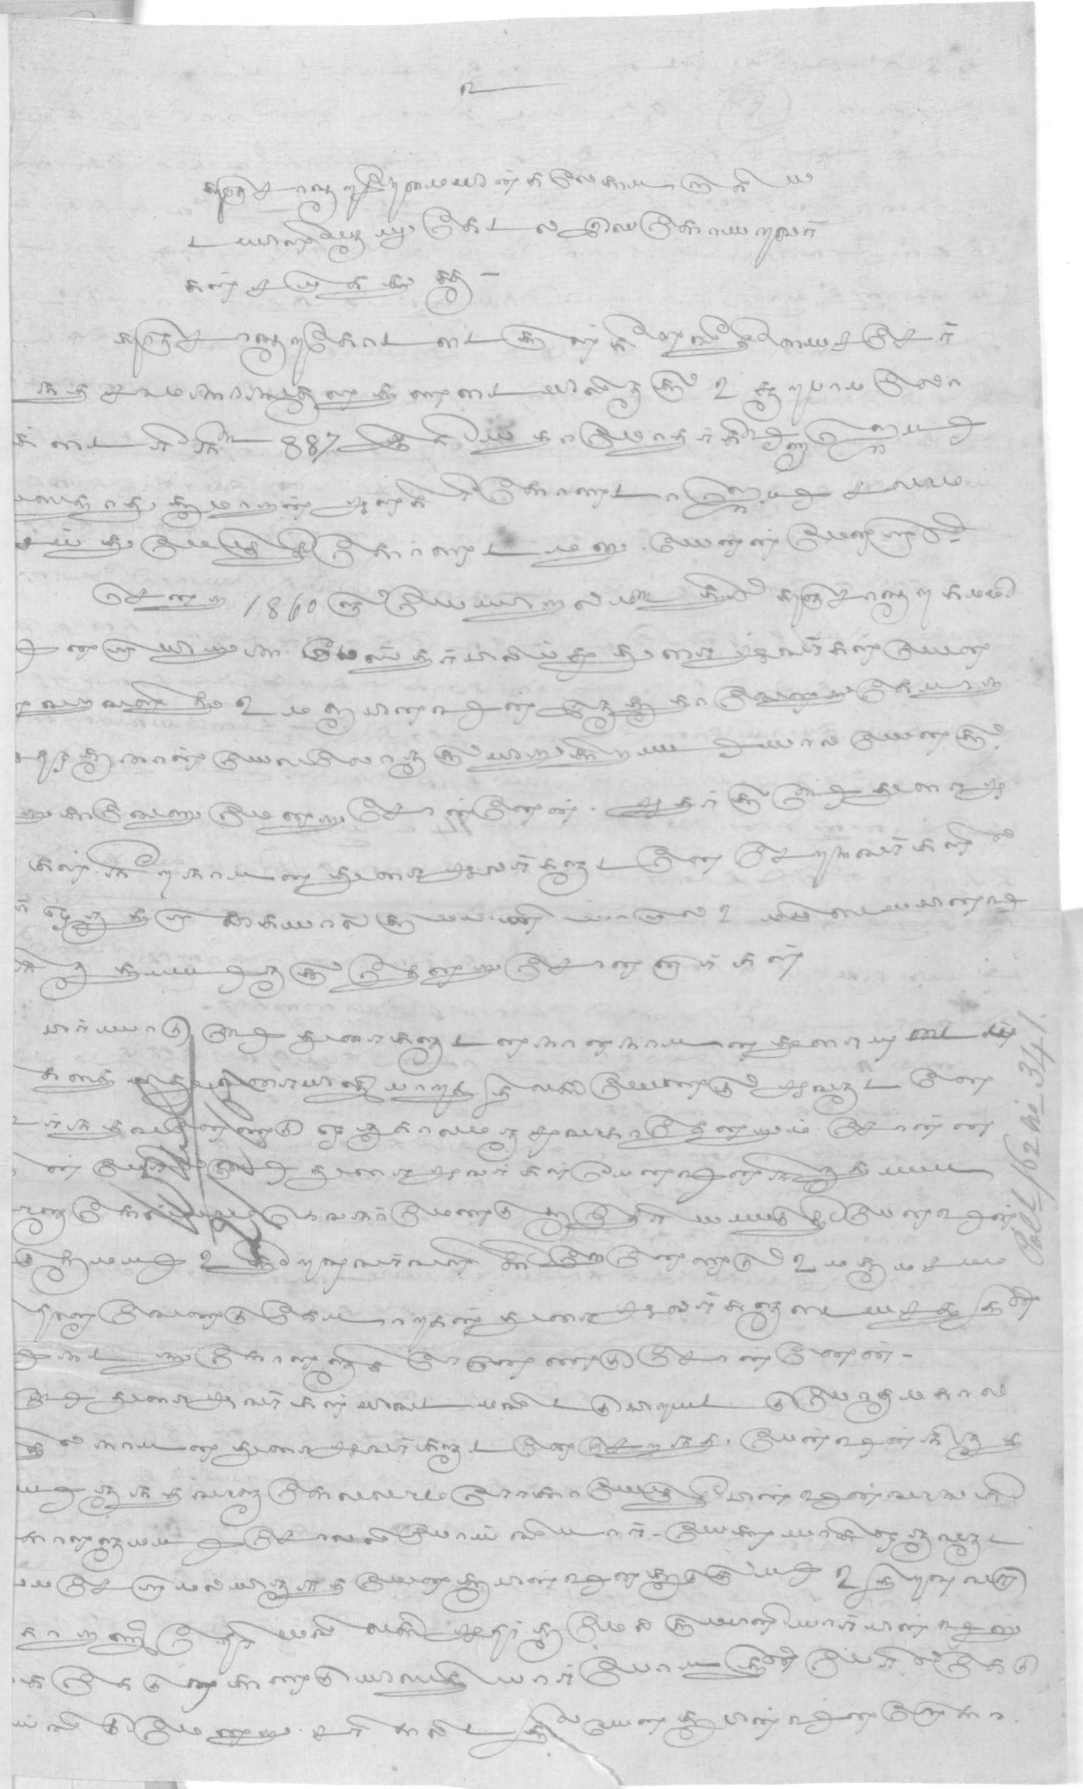

No. 9. ORDER THEREON, 6th August 1862, No. 309.

The late Commissioner at Tanjore in his letter of the 6th March 1860, in which he recommended that certain pensions due to persons on the Dowlut Pamlok and Hoozoor Pamlok Establishments of the late Raj, but which had been held in abeyance should be granted, excepted the Petitioner from his recommendation on the ground of his having introduced certain Sepoys formerly in the service of the Raj to Mr. Norton who was then known to be agitating against the Government. Mr. Phillips also adverted to the fact that the Petitioner had not shown any inclination to receive a pension from the British Government. The Petitioner now applies for this pension.

2. The Governor in Council resolves to comply with his application and to direct that the pension of Rupees 3-8 as originally proposed (vide list) be granted to Alagerikonda Jetty from the 10th July 1862, the date of his present application.
