Read again Endorsement on Petition No. 1,849 of 1862, from Syed Jawar Kaboolee, soliciting the payment of the claim that he has on the late Nabob of the Carnatic, and regarding which he has already addressed the Government.

No. 20. Read also the following letter from JOHN MILLER, Esq., Acting Government Solicitor, Madras; to R. S. ELLIS, Esq., Acting Deputy Secretary to Government, Madras, dated 30th July 1862, No. 354.

1. I was duly favored with the Orders of Government noted in the margin relating to Syed Jubbar's petitions on the subject of his claim against the Estate of the late Nabob of the Carnatic.

2. On receipt of the first Order I placed the matter before the Government Agent at Chepauk for his report, to enable me to advise as to the course that Government should pursue, and I have since had several communications with him thereon.

3. The Government Agent at Chepauk is investigating the records of the late Nabob's Durbar, and the want of his report on this petition, is accounted for in the accompanying copy of a letter to-day received by me from him.

CHEPAUK, AGENCY OFFICE,
28*th July* 1862.

MY DEAR MILLER,

Re Syud Jawaar Kaboolee's claim against the Nabob's Estate.

My official letter of the 8th May 1862, was intended to dispose of this matter, but I regret to see that it is not sufficiently explanatory.

Government allowed claims against the Estate of the late Nabob to be received in this Office up till 15th of last March; upwards of 2,000 have been received which are now in course of being examined and answered upon a systematic plan which prevents waste of time and labor, and ensures each petition receiving proper consideration. Petitioner is one of those who have lodged petitions as above, and he will receive an answer to it in due course, unless I am ordered to take it out of its course as a special case. If Government sees fit to order me to do so as a special case, well and good, but unless it is made a special case, all my arrangements will be upset, for every one of the 2,000 Petitioners will of course go to Government if they find that by doing so their claims will be attended to out of their course, that is, sooner than they would be attended to in the regular course.

Your's sincerely,
(Signed) R. S. WILSON.

P. S.—I have taken such of the petitions out of course as any reason could be shown for. Petitioner has no claim, I believe. He says he wishes to return to his Native country. I believe this to be a mere pretext, but if true he can appoint a Vakeel.

No. 21. ORDER THEREON, 12th August 1862, No. 318.

The Acting Government Solicitor explains that the delay that has taken place in the case of Syed Jawar's petition, is owing to his having not yet received the Report of the Government Agent at Chepauk on the above Petitioner's claims on the late Nabob of the Carnatic. In his demi-official communication to the Government Solicitor, the Agent at Chepauk explains that the above petition of Syud Jawar is one of 2,000 Petitions, filed up to the 15th March last, when such claims ceased to be admitted.

2. These petitions have all been duly registered and are being examined, and the Chepauk Agent deprecates any petition being removed from its place on the file, except for very special reasons.

3. The Government did not intend that the Petitioner's case should be treated specially. The Agent will dispose of it, in due course, with reference to its place in the Register of Petitions.

Chief Secretary.
