Proceedings of the Madras Government, Political Department,
16th August 1862.

No. 38. Proceedings of Government dated 16th July 1862, No· 326.

The Governor in Council desires that the Deputy Auditor and Accountant General and the Controller of Military Finance will each furnish Statements showing the exact amount of expenditure, Civil and Military, under each head, which is now incurred by the British Government on account of the Travancore and Cochin States.

2. The Resident of Travancore and Cochin will also submit to Government returns showing the amount of Import and Export duties by Sea and by the land frontier levied by those two Native States.

(Signed) T. PYCROFT,
Chief Secretary.

Exd. F. Cartledge.

Note by His Excellency the Governor.

I think it would be better to go into the question fully at once instead of in the piece-meal way proposed by Mr F Mallby. I should however be disposed to deal very liberally with the Rajah of Travancore and to remit a portion of the tribute paid by him which is now largely in excess of any outlay which the Govt is called upon to make either for Military or Civil outlay - it would be as well that we should know the exact amount of our expenditure both Civil and Military and we should also get an account of the Revenue derived by Travancore from duties of Imports and

and Report and also of Estimated
change produced by alteration.
