Proceedings of the Madras Government, Political Department,
20th August 1862.

No. 47- Read the following letter from JAMES INNES MINCHIN, Esq., Collector of Kurnool; to A. J. ARBUTHNOT, Esq., Acting Chief Secretary to Government, Fort Saint George, dated 4th August 1862, No. 34.

I had the honor to report the decease, on the 9th May of this year, of Moideen Khatoon Masaiba, widow of the late Nawab Goolam Russool Khan Bahadoor, in receipt of a pension of Rupees 333-5-4 monthly, and I trust I may be permitted to bring to the notice of Government, the case of her sister Ahmed Khatoon Masaiba, with a view to her receiving some allowance out of the pension that has lapsed on her sister's decease.

2. The accompanying Genealogical statement will show the descent of these ladies, and serve to explain the unfortunate position in which Ahmed Khatoon Masaiba is now placed, which has induced me to bring her case before the Government.

3. Her late father Anwar Khan Bahadoor received from the Government the liberal allowance of Rupees 1,354-2-8 monthly, and deceased in December 1848.

4. Of his four daughters, three were married to different Nawabs of Kurnool, and the fourth, Ahmed Khatoon Masaiba received from her father during his life the sum of Rupees 200 monthly for her maintenance in a style befitting her rank and birth.

5. On the death of Anwar Khan Bahadoor, a portion of his pension amounting to Rupees 260 monthly, was continued to his son Moideen Khan Bahadoor; two of his daughters, widows of Nawabs of Kurnool, were in receipt of liberal pensions on that account, and Ahmed Khatoon Masaiba was alone left without any suitable provision.

6. She has a son who is in receipt of a small pension of Rupees 60 monthly, barely adequate for the support of his own family, and her brother Moideen Khan Bahadoor has many dependants to support out of his own pension, barely one-fifth of that enjoyed by his father, and has never been able to render any assistance to Ahmed Khatoon Masaiba.

7. This lady, I am informed, has lived entirely on the relics of the property presented to her by her father during his life time, since his decease, and her pride and poverty are now struggling in sore straits, I am informed that she would starve rather than receive the means of bare subsistence from her son, or other relatives.

8. She is now sixty-seven years old, and in consideration of her noble birth, and reduced means, I trust that the Government will view her case as a special one, and continue an allowance of Rupees 60 monthly to her, for life, from the pension of Rupees 333-5-4 drawn by her late sister Moideen Khatoon Masaiba.

Late Umerkhan Bahadoor, Uncle of the late Nawab of Kurnool, died December 7th 1848, had pension of Rupees 1,354-2-8 monthly.

Proceedings of the Madras Government, Political Department,
20th August 1862.

No. 48. To the Secretary to the Government of India, dated Fort Saint George, 20th August 1862, No. 332.

I am directed by the Governor in Council to transmit, for the orders of the Government of India, a copy of a letter from the Collector of Kurnool reporting on the case of Ahmed Khatoon Masaiba, daughter of the late Anwar* Khan Bahadoor, and recommending that a monthly allowance may be granted to her out of the lapsed stipend of Rupees 333-5-4 of her sister Moideen Khatoon Masaiba, who died on the 9th May last.

Dated 4th August 1862, No. 34.

* Uncle of the late Nawab of Kurnool.

2. During the life time of her father, Ahmed Khatoon Masaiba received a sum of Rupees 200 for her maintenance, and on his death she was left without any suitable provision, while her brother was allowed a pension of Rupees 260, and two of her sisters, being widows of the Nawabs of Kurnool, were in receipt of liberal stipends.

3. It will be seen that Ahmed Khatoon Masaiba has a son who receives a pension of 60 Rupees, but this, the Collector states, is inadequate for the support of his family, and also that her brother has not been able to render her any assistance owing to the many dependants maintained out of the allowance assigned to him.

4. The Collector also states that this lady, since her father's decease, lived on the relics of the property presented to her by him, and that she is now in indigent circumstances and refuses subsistence from her son and relatives.

5. In consideration, however, of her age, (67 years) noble birth, and reduced means, I am directed to submit the proposal of the Collector for the favorable decision of the Government of India, that Ahmed Khatoon Masaiba may be allowed a monthly pension of Rupees 60 for her life, to commence from the 9th of May last, the date of her sister's demise.
