*Proceedings of the Madras Government, Political Department,
18th September 1862.*

No. 48. Read the following Memorandum from MAHOMED BAIG, dated 13th September 1862.

States that no provision has been made for the performance of the ceremonies of Fotmakanum, the wife of Hyder Ally, that the stipend of 20 Pagodas enjoyed by his late father has been reduced to 10 Pagodas on his death, which sum is divided among the brothers; that consequently he is unable to meet the expenses attending the performance of the ceremonies of the said Fotmakanum, and prays therefore that either the moiety of 20 Pagodas which is now available in the Mahal owing to the death of Chan Shan Beegum a month ago, who enjoyed the same, may be granted, or the garden in which the tombs of Bukshe Beegum and Fotmakanum are situated, may be made over to him on condition that he will perform the ceremonies of both the individuals. While an allowance of 100 Rupees has been granted monthly for the performance of the ceremonies of Patcha Beegum, the wife of Teepe Sultan, it is a sad thing to see that nothing has been provided for the performance of the ceremonies of Fotmakanum, the wife of Hyder Ally and the mother-in-law of above. When the garden above adverted to had become available by the death of the last holder, he requested the gentleman to make it over to him, but, by the interference of the Manager of the Mahal, it was given to some other person in spite of his claim. Had there been a Brigadier Officer, such irregularities would not have taken place and his claim would have been taken into consideration.

No. 49. ORDER THEREON, 18th September 1862, No. 376.

Resolved that the foregoing paper be communicated to the Collector of North Arcot, and that he be requested to enquire into and report on the matters therein adverted to, as also on the requests preferred by Mahomed Baig.

2. The grants for the maintenance of the Tombs of Padsha Begum and Bukshee Begum, it is observed, formed the subject of the correspondence noted in the margin, to which the Collector is referred for information respecting the arrangements made for their management.
