*Proceedings of the Madras Government, Political Department,
22nd October 1862.*

No. 51. Read the following letter from G. LEE MORRIS, Esq., Officiating Government Agent, Tanjore; to the Honorable T. PYCROFT, Chief Secretary to Government, Fort Saint George, dated 13th October 1862, No. 310.

With reference to the Order of Government under date the 12th ultimo, No. 364, I have the honor to state that I called upon M. Ládubháyi and did all in my power to induce her to appear at Madras as a witness at the hearing of the case in question, explaining to her that she could do so without the slightest risk of being thereby in any way degraded. The lady has however, I regret to state, positively refused to proceed to Madras, stating as her excuse for not doing so that she is sickly and cannot therefore leave Tanjore without subjecting herself to much inconvenience and discomfort. She has however, expressed her willingness to send her son-in-law and her Agent Mallár Tiágaráj, in order that they may give all requisite information and evidence in the matter in question.

2. I will do myself the honor of submitting shortly all the information obtainable on the several points indicated in the Acting Government Solicitor's letter which accompanied the Order of Government above referred to, and I have to express my regret that I have not been able to do so earlier; but really the subject requires a more careful consideration than I have, in the pressure of many important duties connected with the affairs of the late Tanjore Rájá, been hitherto able to give it.

No. 52. ORDER THEREON, 22nd October 1862, No. 429.

Communicated to the Government Solicitor, in reference to the Order of the 12th ultimo, No. 364.
