Not to be folded or roughly handled

Read again letter from the Collector of North Arcot, dated 12th, and recorded in Proceedings of the 23rd December last, No. 569.

No. 3. Read also the following letter from Major R. S. WILSON, Government Agent at Chepauk and Paymaster of Carnatic Stipends; to T. PYCROFT, Esq., Chief Secretary to Government, Fort Saint George, dated 14th January 1862, No. 15.

I have the honor to acknowledge receipt of G. O. No. 569, dated 23rd December 1861, referring to me for report, an application* for commutation of stipend, preferred by Carnatic Stipendiary Mohiddeen Bee, No. $647\frac{5}{6}$, and submitted to Government by W. T. Blair, Esq., Sub Collector of North Arcot, in whose District the said Mohiddeen Bee resides and draws stipend.

* Herewith returned.

2. In reply, I beg to submit for the consideration of Government that the Carnatic Stipendiaries who reside up-country are in all respects under the management of the Officers in charge of their respective Districts. This Agency has no control over them whatsoever, and has no means of forming an opinion as to the propriety of granting such applications as that under consideration.

3. There is one point however which I beg to bring to notice, so as to prevent any possibility of mistake. The Carnatic Stipendiaries residing up-country being in charge of their District Officers with regard to their pay as well as in all other respects, no provision has been made by this Office, in the Annual Budget, for commutation to them. The sum budgeted for under that head by this Office in this year's Budget, covers all applications which may be expected this year from Carnatic Stipendiaries drawing their pay from this Office. Applications from Carnatic Stipendiaries drawing pay elsewhere must be covered by the Budgets of their respective Paymasters.

No. 4. ORDER THEREON, 1st February 1862, No. 43.

The Government observe that all that is desired of the Agent is that he should verify the statements made in regard to the stipend drawn by Mohiddeen Bee and her age. This his records must enable him to do, as the late Agent had a complete List of the Carnatic Stipendiaries of 1801 prepared and printed, containing all necessary particulars regarding the grants.

2. They have also to remark that the commutation of Carnatic Stipends paid in the Provinces will not be many, nor amount to a large sum. They may therefore be charged against the amount provided in the Agent's Budget for such disbursements. It is not necessary that Collectors should make separate provision on this account in their Estimates.

3. When the Agent has received the Returns of Stipendiaries residing up-country, which the Collectors were lately required to furnish him, he will submit a List of them to Government who will then see if any orders be needed.

(Signed) T. PYCROFT,
Chief Secretary.
