*Proceedings of the Madras Government, Political Department,
18th February 1862.*

No. 44. To the Secretary to the Government of Bombay, dated Fort Saint George, 18th February 1862, No. 65.

I am directed by His Excellency the Governor in Council to state for the information of the Government of Bombay, that it is the intention of this Government to appoint Mr. W. Fisher now Collector of North Canara, to be the Resident of Travancore and Cochin, on that Office being vacated by Mr. F. Maltby's retirement on the 1st May next.

2. On Mr. Fisher's succession to the Residency of Travancore the appointment of Collector of North Canara will be at the disposal of the Government of Bombay. Meanwhile the Madras Government would be glad if Mr. Fisher could be relieved by a Bombay Officer about the end of next month, that he may be enabled to arrive in Travancore and confer with Mr. Maltby before that Gentleman's departure.

3. As already intimated to you by Telegraph, Mr. Ratliff, Civil and Sessions Judge of Honore has been granted three months' privilege leave, but with an order not to quit Honore until relieved. I am to request that if it can conveniently be done, a Civil Servant on the Bombay Establishment may be sent to relieve him. It is not intended that Mr. Ratliff shall return to Honore, but it is proper to mention that he is only Officiating, and that the confirmed Judge of the Zillah Mr. William Elliot is at home on leave of absence, which will expire in July next. The Madras Government will endeavour to make such arrangement as may prevent the necessity of Mr. Elliot's rejoining Honore; and if he is obliged to rejoin will provide for him and place his Judgeship wholly at the disposal of the Bombay Government as soon as possible. Meanwhile the appointment should not be permanently filled up.

4. If the authority of the Secretary of State for transferring the Province of North Canara to the Bombay Presidency be not received before the nominations above indicated to the Collectorate* of North Canara and Acting Judgeship of Honore are made, the appointments, it is presumed, must *pro forma* be made by this Government, and in such case the Officers whom the Bombay Government would propose for the situations should be placed at the disposal of the Government of Madras for employment in those posts.

*NOTE.—The Officer sent to relieve Mr. Fisher would be Acting Collector only until the 1st May, when Mr. Fisher's succession to the Travancore Residency takes effect, and might then be confirmed.

5. I am to request that the views of the Government of Bombay on this letter may be intimated to me by Telegraph and also may be communicated direct to Messrs. Fisher and Ratliff.

Chief Secretary.
