*Proceedings of the Madras Government, Political Department,
2nd December 1862.*

No. 6. Read the following letter from J. FRASER, Esq., Acting Collector of North Arcot; to A. J. ARBUTHNOT, Esq., Chief Secretary to Government, Fort Saint George, dated Chittoor, 10th November 1862, No. 50.

I have the honor with reference to the Order of Government, dated 16th September 1862, No. 370, Political Department, to forward copy of a letter received from the Sub-Collector submitting the report required by Government. I fully concur in Mr. Blair's views. Copies of the two Lists which accompanied Mr. Blair's letter are likewise enclosed.

From W. T. BLAIR, Esq., Sub-Collector of North Arcot in charge of Stipend Pay Office; to J. FRASER, Esq., Acting Collector of North Arcot, Chittoor, dated Vellore, 5th November 1862, No. 157.

I have the honor to acknowledge the receipt of your letter of the 24th September last, No. 126, giving cover to a copy of the Proceedings of Government, dated 16th September 1862, No. 370, forwarded to me for report.

2. In reply, I beg to forward a List showing the present and proposed Establishment of servants for Hyder and Tippoo's Mahals, together with one for the Kandyan Mahal, by which arrangements a saving will be effected in all of Rupees 84 a month.

3. In order to carry out the reduction proposed in the number of Hircarrahs, it will be necessary to remove the Hircarrahs' room outside the Kandyan Mahal, so as to enable one Hircarrah to watch both the Goomsur and Kandyan Mahals.

4. An opening will also require to be made on the south side of the Hircarrah's room attached to the Mahal occupied by Rahamatoonnissah Beegum, a Nickah wife of Tippoo Sultan, in order that the Hircarrah in this room may also watch the Mahal occupied by the Polacondah prisoners.

5. With regard to the latter part of the Order of Government in their Proceedings above alluded to, I beg to state that no contingent expenses are incurred on account of the Mahal Establishments.

6. I am of opinion that the Stipend Pay Office Establishment is not susceptible of any further reduction. It was revised and reduced in June 1860, and the amount of work now devolving on the office is exactly the same as it was then. It is necessary that the Manager of the office should be a trustworthy person, as he has to superintend the payment of stipends to the Mahals and the Political Pensioners at Vellore when I am absent on Jammabundy, I therefore think that it would be undesirable to make any reduction in his salary as is suggested in the Memorandum addressed to the Government, under date the 18th September 1862.
