Proceedings of the Madras Government, Political Department, 28th March 1863.

No. 68. Read the following letter from Mr. T. BRASS; to the Chief Secretary to Government, Fort Saint George, dated Madras, 6th March 1863.

I have the honor to forward the accompanying petition to His Excellency the Governor in Council of Fort Saint George, and request you will be pleased to submit the same to His Excellency the Governor in Council for directions thereon.

To His Excellency the Governor in Council of Fort Saint George,

The humble Petition of THOMAS BRASS,
residing at Saint Thomé.

Sheweth,

That your Petitioner on the twenty-eighth February one thousand eight hundred and sixty-one, addressed your Excellency in Council in respect of a house purchased by your Petitioner for His Highness Prince Azeem Jah Bahadoor, and for which His Highness had granted your Petitioner a Promissory Note.

That your Petitioner fears that his case was not made sufficiently clear in his last petition, for the money then claimed by your Petitioner was not for money lent, but for the value of a house adjacent to the Shady Mahal now in the occupation of His Highness the Prince, and which His Highness purchased from you Petitioner, and in respect of which the Promissory Note referred to in the petition of your Petitioner, dated twenty-eighth February one thousand eight hundred and sixty-one, was granted by His Highness.

That His Highness has over and over again admitted your Petitioner's claim, but as neither paid the principal and interest due on such Promissory Note, nor has he paid any rent, nor will he relinquish the possession of the premises to your Petitioner.

Your Petitioner feels that he has himself very much to blame for in any way allowing himself to be mixed up with the present transactions, but he confidently hopes that your Excellency will cause the Chepauk Agent to inquire into the truthfulness and justice of your Petitioner's claims, and render him such redress as may be in the power of Government to afford.

Your Petitioner therefore humbly craves that your Excellency in Council will be pleased to refer this matter, as well as your Petitioner's petition of the twenty-eighth February one thousand eight hundred and sixty-one, to the Chepauk Agent to inquire fully, that your Excellency in Council may determine, whether your Petitioner has any just claim to venture to trespass on your Excellency in Council for a reconsideration of this matter.

And your Petitioner will ever pray, &c.

Madras, *6th March* 1863. (Signed) **T. BRASS.**

No. 69. Order thereon, 28th March 1863, No. 104.

The Governor in Council is not prepared at present to interfere in the matter referred to in this petition.

2. The Government have urged upon His Highness Prince Azeem Jah the necessity of making an early arrangement for the settlement of his debts, and they trust that steps will be taken with this object, at an early date. It will then be open to the Petitioner again to lay his claim before His Highness, or the Agents who may be employed by him.
