Proceedings of the Madras Government, Political Department, 27*th May* 1863.

No. 47. Read the following letter from Major R. S. WILSON, Government Agent Chepauk, and Paymaster of Carnatic Stipends; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated 18th May 1863, No. 123.

I have the honor to forward herewith a letter* this day received from His Highness Prince Azeem Jah Bahadoor.

* Requested to be returned.

His Highness Azeem Jah Bahadoor presents his compliments to Major R. S. Wilson, Government Agent at Chepauk, and with reference to his communication, No. 121, and dated 12th May 1863, begs to request he will be so good as to inform Government that there is no real objection on the part of His Highness to draw under protest the full amount, accumulated on his account in the Government Treasury. But His Highness will esteem it a favor if Government will be so good as to permit such sum only to be drawn as His Highness may at present desire there being particular necessity for such an arrangement.

It is necessary for His Highness to explain that his creditors are of two classes, one (old) whose claims arose during the regency, and the other (new) recently. In the former case His Highness alone is concerned; but in the latter His Highness' sons relatives and many friends are sureties. His Highness purposes out of the Rupees three lacs for which he has asked to make payments to the new creditors in part adjustment of their claims, further adjustment being made hereafter by instalments. But in the event of his drawing the full amount, they will insist on the whole being paid to them leaving nothing for the old creditors, or otherwise they will take legal action against those who have been so good as to have become sureties for His Highness, a consequence from which His Highness is most desirous of protecting them. Such being the case His Highness solicits the payment of the Rupees three lacs asked for in his letter of 1st May 1863, and the retention in the Government Treasury of the remaining balance accumulated on his account until such time as it may be required by His Highness, a favor which, under the circumstances set forth, His Highness trusts will be accorded to him.

His Highness takes this opportunity to thank Major Wilson for the promptitude with which he submitted His Highness' letter of the 1st instant, and in doing so he begs he will do him the same favor on the present occasion.

But I think that some addition should be made to the order to show that we merely make this partial disbursement to oblige the Prince, and that we do not thereby in any way recognize or sanction the Govt. Agent's Cheque, by up with the Accountant General, particulars of which he Birth

pd to adopt in the payment
of this debt. JPS
