Proceedings of the Madras Government, Political Department,
13th July 1863.

Read the following Petition :—

No. 14. To His Excellency the Right Honorable Sir W. T. DENISON, K. C. B.,
Governor in Council of Fort Saint George, Madras.

The humble Petition of the undermentioned Tunkay Cutcherry Bond Creditors.

Respectfully Sheweth,

That His Highness Prince Azim Jah Bahadoor, while Naib-i-Mooktar for His Highness the Nabob of the Carnatic, borrowed from your petitioners the sums stated in the annexed Statement.

That your petitioners had often applied to the said Prince Azim Jah Bahadoor for the payment of the amount due; but without effect.

That your petitioners had also applied to the Madras Government for their interposition in procuring payment for the amount due to them by the said Prince Azim Jah Bahadoor; but the Government on every occasion declined to interfere.

That your petitioners understand that the said Prince Azim Jah Bahadoor has been permitted to draw the sum of three lacs of Rupees which had accrued on account of the allowances payable to His Highness and that there is a large sum of money still in the Government Treasury belonging to His Highness, being arrears of allowance not drawn by him,

That the said Prince Azim Jah Bahadoor is exempted from the process of Her Majesty's High Court of Judicature at Madras, under Act 1 of 1844, and Act No. 37 of 1858.

Your petitioners therefore humbly pray that your Excellency in Council will be pleased to order payment of what is due to your petitioners and acknowledged by the said Prince Azim Jah Bahadoor, rateably from and out of the funds standing to the credit of His Highness in the Government Treasury; and as the amount of such funds is insufficient to meet your petitioners' full demand, that your Excellency in Council will be further pleased to grant your consent in the form prescribed by Section 1 of Act 37 of 1858, to actions being instituted for the balance, and such writs, or process as may be necessary or advisable being sued for by your petitioners against the said Prince Azim Jah Bahadoor for the recovery of the balance that may be due to your petitioners, or that your Excellency in Council will be pleased to make such other order as may seem fit.

And your petitioners will ever pray.

Madras,
20th June 1863.
