*Proceedings of the Madras Government, Political Department,
5th January 1863.*

Read the following papers:—

No. 1. Abstract of a Petition from JANAKY BOYEE UMMAL, daughter of PALUMPUT, a servant under the late Maha Rajah of Tanjore residing within the Fort of Tanjore, dated 23rd September 1862.

Prays that her father's claim to a pension may be considered. Being insane, no actual service was required of him by the late Rajah, but his salary was paid regularly to the Petitioner his daughter, the father's condition and her sex prevented this claim being brought before the Commissioner. Produces Agent's endorsement refusing to examine into this case as the petition was not filed within period fixed by Government.

No. 2,565.

Petition referred to Agent for report whether there are any special grounds for the admission of Petitioner's claim at this late date.

By Order.

No. 2. From G. LEE MORRIS, Esq., Officiating Government Agent; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Vallam, 11th December 1862, No. 395.

* Herewith returned.

I have the honor to report on Petition* No. 2,565 of 1862, addressed to Government by one Janakibáyi Ammal.

2. Petitioner is the daughter of one Bálambhat to whom a pension of Rupees 2, Annas 4, was assigned in No. 61 of the dismissed batch of the Daulat Pánlók Department of the Palace. This individual did not appear and claim his pension within the time fixed by orders of Government, and consequently when Petitioner, on behalf of her father, lately applied to me for the payment thereof, I declined to entertain her claim.

3. It is true as stated in this Petition, that the individual abovenamed has been afflicted with insanity for upwards of 15 years, and that during the life time of His Highness the late Rajá, an arrangement was made under which a moiety of his salary was paid to his daughter, the Petitioner, for his maintenance, and the other moiety to the substitute who was employed to do his duties.

4. There would of course have been some difficulty experienced in producing this insane person before the authorities in order to the usual muster being taken for the Pension Certificate, but at any rate the circumstance might have been communicated to the Government Agent within the limited term fixed for the Ráj Pension being claimed and accepted, and then some arrangement or other could have been made. The explanation therefore given in the Petition on this point, is consequently in my opinion not satisfactory.

5. Looking, however, to the peculiar circumstances of the case, I leave it for the consideration of Government whether an exception may not be made as a matter of grace in regard to this Petitioner whose condition is doubtless deserving of pity.

No. 3. ORDER THEREON, 5th January 1863, No. 1.

His Excellency the Governor in Council concurs with the Officiating Government Agent in regarding the Petitioner's explanations as unsatisfactory, but, taking into consideration the peculiar circumstances of the case, he is pleased to authorize the disbursement of the stipend assigned to her father.

To The Right Honorable
The Governor in Council

Fort St. George

The humble Petition of Janakty Payammal
daughter of Palumput a Servant under His
late Highness Maha Rajah of Tanjore whose
name is entered in Dowlet Daulat now residing
at Padookasamy Vattarum within the fort of
Tanjore.

May it please your Lordship

That with due Respect I beg to present
this to your Lordship with full hope that your Lordship will
have the great humanity to take the distressed circumstances of me
into your Lordship's serious consideration and support me &
my poor father.

I beg leave to state that my father & my
forefathers rendered their services to the Maharajah Rajahs
of Tanjore faithfully from generation to generation.

I beg leave to state that during a period of 15
years my father became mad and altho he is sanely yet
his late Highness Sevagjee Maha Rajah of Tanjore came
to understand of his disorder & ordered that his pay may be
paid to me & that he may not render his services I then
continued to receive his pay until the demise of the Rajah

TO BE KEPT

"When the Government Agent of Tanjore published
notice that all the Servants of the Rajah may produce Roccen or
list from the officers of the Palace before the office of the Government
Agent & may obtain Pension certificates, when I carried my
father to the Palace in order to receive Roccen or list, as there were
great crowds, and as he is senseless, he run away from the Palace.
afterwards when I carried him again, he saw the crowds and fell
swooning, it was with great trouble to carry him to our house -
as he is now recovered a little, Government has not published
any notice that if the Servants of the Rajah did not obtain
Pension certificates at the fixed period, the Pension certificates would
not be given to them, altho the notice was published by the Government
yet as he is mad & senseless, the Government will be pleased
to indulge their laudable feelings towards him & protect him.

I therefore humbly beg your Lordship will be
pleased to use your Lordship's influence that the Government
Agent of Tanjore may be pleased to fix a Pension on him, &
relieve him from his distress.
