No. 537

Madras August 1st 1863.

From John Robert Boyson,

Government Solicitor Madras

To The Honorable A. J. Arbuthnot

Chief Secretary to Government

Madras

Sir,

With reference to the Proceedings of the [illegible] between the [illegible] Political Department No. 178 dated [illegible] I have to state that between the 20th of June last, when I despatched my letter No. 402 to Government, and the 29th idem, being the date on which I realized the amount of the Treasury Order for Rupees 11,869-7 which accompanied those Proceedings, the premium for 5½ per Cent Government Securities fell from 17 3/4 to 17 per Cent - The difference in the value of Rupees 9145-11-0 of 5½ per Cent Government Securities between the 20th and the 29th of June last was therefore 3/4 per Cent being less on the latter date by Rupees 68-9-6 than at the date of my letter No. 402 - Subsequent Interest from the 22nd to the 29th of June

June on Rs 9145.11.8 minus Income Tax
was Rupees 9.6.6 which being deducted
from the Rs 68.9.6 above mentioned leaves
an overpayment to me by the Treasury Order
granted to me of Rupees 59.3.0, and as my
desire hereby was that Government should
place me in the same position in which
I should have been, if I had invested the
sum which I advanced for the purchase
of the Mortgage of "Pughs Gardens," in 5 1/2 per
Cent Government Securities on the date of
the advance instead of applying it to such
purchase, I now propose to refund the sum
of Rupees 59.3.0 being the difference above
mentioned and solicit the sanction of
Government for my so doing.

2. I annex a Memo shewing how the
difference in question has arisen and

I have the honor to be,

Sir,

Your most Obedt Servant

Proceedings of the Madras Government, Political Department, 8th August 1863.

No. 12. Read the following letter from JOHN ROBERT BOYSON, Esq., Government Solicitor, Madras; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Madras, dated 1st August 1863, No. 537.

1. With reference to the Proceedings of Government noted in the margin, I have the honor to state that between the 20th of June last, when I despatched my letter, No. 402, to Government, and the 29th idem, being the date on which I realized the amount of the Treasury Order for Rupees 11,869-0-7 which accompanied those Proceedings, the premium for 5½ per cent. Government Securities fell from 17¾ to 17 per cent. The difference in the value of Rupees 9,145-11-8 of 5½ per cent. Government Securities between the 20th and the 29th of June last, was therefore ¾ per cent., being less on the latter date by Rupees 68-9-6 than at the date of my letter, No. 402; subsequent interest from the 22nd to the 29th of June on Rupees 9,145-11-8 minus Income Tax was Rupees 9-6-6, which being deducted from the Rupees 68-9-6 abovementioned leaves an overpayment to me by the Treasury Order granted to me of Rupees 59-3; and as my desire merely was that Government should place me in the same position in which I should have been, if I had invested the sum which I advanced for the purchase of the mortgage of "Pugh's Gardens," in 5½ per cent. Government Securities on the date of the advance instead of applying it to such purchase, I now propose to refund the sum of Rupees 59-3 being the difference abovementioned, and solicit the sanction of Government for my so doing.

Dated 26th June 1863, No. 178, Political Department.

2. I annex a Memorandum showing how the difference in question has arisen.
