Proceedings of the Madras Government, Political Department,
 4th September 1863.

No. 10. Read the following letter from Major R. S. WILSON, Government Agent at Chepauk, and Paymaster of Carnatic Stipends; to the Chief Secretary to Government, Fort Saint George, dated 25th July 1863, No. 205.

With reference to G. O., No. 61, dated 3rd February 1860, paragraph 3, I have the honor to submit for sanction the separate List therein called for, of Mosque servants recommended for pension.

2. I have also the honor to report as directed in the same paragraph on the following points:—

1st. The allowances of Mosque servants (including those now spoken of) were always, during the life time of the late Nabob, ordered to be provided out of the revenues and rents of the villages and other Sirkar properties allotted for the support of the Mosques—and were so provided, so far as the said revenues and rents would go; but His Highness sometimes granted charges on these revenues and rents, more than they could meet. In these cases the deficit was made good from other funds.

2nd. Of the allowances in question, Nos. 1, 2, 5 and 6, were discontinued in June 1859, and Nos. 3 and 4 in March 1859.

3. The villages in question are not now attached to the Mosques, having been taken charge of by the Receiver of the Carnatic Property on account of Government.

4. The “Sirkar properties” alluded to consist of houses, boutiques, and a small garden. They have been taken charge of by the Receiver of the Carnatic Property on account of Government.

5. The items in question became chargeable upon them by successive orders of the Nabobs of the Carnatic, commencing with the Wallajah.

A separate list of parties attached to the Mosques, &c., at Trichinopoly and Hyderabad, called for in G. O., dated 3rd February 1860, No. 61, paragraph 3, and recommended for life pensions agreeably to G. O., No. 391, dated 1st July 1859, paragraph 2.
