Proceedings of the Madras Government, Political Department,
10th September 1863.

No. 20. Read the following Petition from SUBA ROW SINDAY, VAZARUTH-MA-AUB, Father-in-law of the late AMEER SING JEE, Maharajah of Tanjore, at present residing at Madarjanum; to the Honorable A. J. ARBUTHNOT, Chief Secretary to Government, Fort Saint George, dated Madarjanum, 27th July 1863.

I humbly beg to bring to your notice that on the death of the late Rajah Pretap Sing Jee the son of Ameer Sing Jee, formerly the Maharajah of Tanjore, I, in common with the rest of the family and dependents of the deceased, was awarded a small pension and numbered 39 in the pension list.

So long as the Boyi Sahiba, the widow of the late said Pretap Sing Jee, declined receiving her pension, I also was obliged to defer taking mine.

When the Boyi Sahiba at length consented to receive her pension, I also made application for mine; but as the Native functionary who was lately Sheristadar to the Resident was not well disposed towards me, he required me to attend in person to receive my pension at the Combacoonum Cutcherry, while in respect to other relatives of the said late Rajah and Vazaruth-ma-Aub, holding the same rank as myself the indulgence was granted of appointing agents to receive their stipends. I was therefore compelled to defer receiving the allowance which Government were pleased to accord me.

Having applied to the then Acting Agent for my pension, I was informed that the special sanction of Government for the disbursement of the same was required.

Vide enclosure,

I therefore humbly pray that you will be so good as to obtain the sanction of Government for the payment to me, in the same manner as to the other relatives of the said late Rajah, and the Vazaruth-ma-Aub, of my pension and of the arrears due.

To G. LEE MORRIS, Esq., Government Agent, Tanjore.

The Humble Memorial of SUBA ROW SINDAY, son of PERANJEE SINDAY, VAZARAT-MA-AUB, Father-in-law of the late AMEER SING JEE, Maharajah of Tanjore, residing at Madarjanum.

HUMBLY SHEWETH,

That I beg to inform your honor that at the demise of Rajah Pretap Sing Jee, the son of the late Ameer Sing Jee Maharajah, the British Government have been pleased to determine to fix pension, on all the relations, servants, &c., when the Boyi Sahiba did not consent to receive pension, I thinking that if I consent to receive my pension while Boyi Sahiba had no mind to receive pension, I would incur the displeasure of Boyi Sahiba, I have not received my pension; some time afterwards when the Boyi Sahiba consented to receive pension, I also consented to receive my pension, as the Native functionary who lately held the situation of Sheristadar to the Resident being not in good terms with me, he sent an order that I may come to the Talook Cutcherry at Combacoonum and receive my pension, while other relations or Vazaruth-ma-Aub's were ordered to appoint Agents to receive their pensions as it is great disrespect to me to go there and receive my pension, and as I am not accustomed to go to the Cutcheries and receive my stipends during the life time of the Prince Rajah Pretap Sing Jee, I have not received my pension, although my name is entered in the pension list, No. 39, yet through the misrepresentation of the said functionary, I have not obtained my pension, I considering that if I make any application to the former Government Agent to continue my pension I would incur the displeasure of the said functionary, I have not made any application on the subject to the former Government Agent.

During your happy administration, people of all ranks enjoy greater degree of peace and comfort than they did under any of your predecessors. I descendant of noble family ventured myself to address this under full confidence that you will have the great kindness to take my circumstances into your serious consideration and shelter me under your kind protection by causing an order to pay me the arrears of my pension, due to me from the time in which pension

was fixed on all the relations, &c., and continue pension to me monthly like others. In doing this act of great beneficence I will be enabled to pass the remainder of my days peaceably and comfortably.

For which act of humanity I as in duty bound shall ever pray.
