With reference to the Officiating Civil Paymaster's Extract* of the 24th ultimo, No. 103, the undersigned has the honor to observe that the Civil Paymaster will see from the sanctioned printed list of Dowlut Pamloke establishment now in his Office that from a mistake in the Government Printing Office one and the same name has been entered twice over against the Nos. 114 and 115 of that list instead of the two different names† marginally noted being entered against their respective numbers. As this is simply an error committed in the Press Office, the undersigned requests that the Civil Paymaster will be good enough to alter the name now appearing against No. 114, by substituting in its place that of Kristnasami Naik Nagam Naik in question.
