Ditto from the Public Works Department, No. 2,875, dated the 28th July 1862, and one enclosure.

Ditto from ditto, No. 2,979, dated the 5th August 1862.

Office Memorandum from ditto, No. 3,412, dated the 4th September 1862.

A Consolidated Statement prepared in this Office from the Returns above referred to.

Resolution.—The revised Returns of Uncovenanted Servants in India who draw more than 10 Rupees per mensem but are ineligible to pension under the Rules of 4th January 1831 having been received and consolidated in this Office, it now becomes necessary to determine what classes are to be selected for admission to the benefits of those Rules. Many of the functionaries enumerated have only a local existence. Also it is not improbable that employés in one part of India may have different duties and responsibilities from those performed elsewhere by men bearing an official designation identical with their own. Under these circumstances, it is not easy for the Government of India, unprovided with those explanations which local authorities can alone supply, to arrive at a correct appreciation of the position in the public service held, either absolutely or relatively towards each other, by the various classes to be affected by the measure now in contemplation. And His Excellency the Governor General in Council is accordingly pleased to resolve that copies of the consolidated Return shall be forwarded to the local Governments and Administrations, with the request that they will be good enough to specify the classes which they would severally propose to bring within the operation of the Pension Rules. In making this selection care must be taken that those only are recommended for the boon, whose claims to it are really undeniable; and in each case it will be necessary that the grounds of the recommendation should be fully and clearly detailed.

Ordered, that copies of the foregoing resolution, and of the Statement therein referred to, be forwarded to the Foreign, Military, Public Works, and Marine Departments, and the Governments of Bengal, Madras, Bombay, the North-Western Provinces, and the Punjab.

(A true Extract.)

(Signed) EDMUND DRUMMOND,

Secretary to the Government of India.
