## PROCEEDINGS OF THE MADRAS GOVERNMENT

READ the following paper from the Resident in Travancore & Cochin, to the Chief Secretary to Government, Fort St. George, dated Trevandrum, 29th January 1873 No. 40

From the dated 18 , No

I have the honour to forward a copy of a letter No 240, dated the 12th instant from the Dewan of Travancore, requesting the renewal of the lease of the Cottaveli Farm at Anjengo for a further period of one year, and in reference to the order of Government, No 46, of the 9th February to request that His Excellency the Governor in Council will be pleased to sanction further lease, solicited in the terms specified in the accompanying copy agreement.

2. I take this opportunity again bringing to the notice of Government that the proposal to make over the tracks in exchange for Anjengo &c., as contemplated in their Proceedings, dated 25th January 1871, has not been yet carried out.

3. I addressed Government

[illegible] board of [illegible] is not sufficient why the exchange should be longer delayed, and I would respectfully suggest that steps be taken to bring it to a speedy settlement.

---

From the Diwan of Travancore, to the Assistant Resident in charge, dated Trevandrum, 18th January 1873, No. 240.

I have the honour to inform you that the term of the Low Lease of the Shadilly Farm will expire on the 10th February proximo.

As the contemplated territorial change is not likely to be carried out before that date, I presume that, according to the terms of the Government Minute, No. 240 dated 11th April 1859, the Government would be pleased to sanction the further renewal of the Lease for another year.

I therefore submit, herewith, copies of the usual agreement, and, if approved of, I beg you will be pleased to return them to me signed, when I shall forward one of the Copies with my signature for record in the Residents' office.

It may be understood, however, that, if the contemplated exchange

exchange is to take place before the expiry of the lease now proposed to be entered into, the lease may terminate by mutual consent for mutual convenience.

---

Order thereon, 1st March 1873. No. 87.

The further reports in connexion with the proposed exchange of territory with the Travancore Government have been for some time before Government, but, on full consideration, the Governor in Council has resolved to proceed no further with regard to that proposal; and Anjengo and Tangacherry with the Natoms will remain on their previous footing. The draft lease will, therefore be returned to the Resident for revision in view to the former system of a lease for a term of years being revived.
