I have the honour to report, for the information of the Right Honourable the Governor in Council, the melancholy intelligence of the death of His Highness Prince Azeem Jah, Prince of Arcot, at his residence, the Sadi Mahal, at a quarter to 4 o'clock this afternoon.

2. His deceased Highness was born on the 27th May 1802, and was, therefore, nearly seventy-two years of age or seventy-four according to the Mussulman computation.

3. His late Highness' eldest son and successor, Zahir-ul-Dowlah Bahadoor, has informed me that he has made arrangements for the interment of the remains of his deceased father at 4 o'clock P.M. tomorrow. At 4 o'clock the funeral procession will leave the Shadi Mahal and proceed by the high road to the Wallajah Mosque (the Grand Mosque at Triplicane), where prayers will be read and afterwards His Highness' remains will be conveyed to the Mussulman Burial-ground in Kistnampet, where they will be laid in a tomb next to that of his august mother.

No. 14. ORDER THEREON, 14th January 1874, No. 15.

The Governor in Council has received with much regret the melancholy intelligence of the death of His Highness Prince Azeem Jah Bahadoor, Prince of Arcot, and desires that the Government Agent at Chepauk will convey the expression of the sympathy of Government to the family of His late Highness.

2. The Governor in Council directs that the flag at Fort St. George be hoisted half-mast high from sunrise tomorrow morning and so remain until sunset as a mark of respect to the memory of His late Highness.

3. With the permission of the Right Honourable the Governor, His Lordship's Body-guard will form part of the funeral procession, and a detachment of Native Infantry will be ordered to attend at the residence of His late Highness and line the road thence to the Great Mosque in Triplicane.

4. Fifteen minute guns, corresponding to the salute to which the deceased was entitled, will be fired tomorrow morning commencing at 7 o'clock A.M.
