Proceedings of the Madras Government, Political Department,
4th June 1874.

Read the following papers :—

No. 3. From Captain F. H. TYRRELL, Government Agent and Paymaster of Carnatic Stipends, Chepauk, to the Hon. D. F. CARMICHAEL, Acting Chief Secretary to Government, Fort St. George, dated Chepauk, 19th May 1874, No. 193.

I have the honour to forward a letter received by me from His Highness the Prince of Arcot, No. 68, dated 18th instant, requesting that the Government Architect may be authorized to make some alterations in the plan of the new palace now being made ready for His Highness. These alterations consist in throwing several small rooms into one large one.

No. 68.

His Highness the Prince of Arcot presents his compliments to Captain F. H. Tyrrell, Government Agent, Chepauk, and begs to bring to his notice, with the view to the same being reported to Government, that, on His Highness' visiting, on Monday last, the new palace under preparation at Royapettah, he was sorry to find that the accommodation for the zenana house is very limited. The house is a four-sided terraced building, containing only rooms of different sizes, and unprovided with any like a hall. On occasions of ceremony, &c., there will be no accommodation for the ladies who may assemble and sit at dinner ; it is indispensably required that the house be provided at least with two spacious halls to provide accommodation on occasions of entertainments. His Highness will, therefore, feel extremely obliged if Government will be so good as to issue early instructions to Mr. Chisholm to convert some of the rooms into two large halls, which can be easily done by merely knocking down the intermediate walls.

His Highness trusts Captain Tyrrell will lose no time in bringing the matter to the notice of Government, as the work of the palace is rapidly progressing.
